

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dimitrios Gatsinos
DOCKET NO.: 24-36344.001-R-1
PARCEL NO.: 24-09-228-024-0000

The parties of record before the Property Tax Appeal Board are Dimitrios Gatsinos, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,984
IMPR.: \$25,016
TOTAL: \$32,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of frame and masonry exterior construction with 2,063 square feet of living area. The dwelling is approximately 56 years old. Features of the home include a partial basement with finished area, central air conditioning, one fireplace and a 2-car garage. The property has an 11,640 square foot site and is located in Oak Lawn, Worth Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the subject's assessment neighborhood. The comparables are improved with 1-story, class 2-04 dwellings of frame, masonry, or stucco exterior construction ranging in size from 1,836 to 2,354 square feet of living area. The homes are each 77 years old. Each comparable has a slab foundation and one or two fireplaces. Three comparables each have

central air conditioning. Three comparables each have a 1-car or a 2.5-car garage. The comparables have improvement assessment-ranging from \$15,880 to \$24,455 or from \$8.65 to \$10.44 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$32,000. The subject property has an improvement assessment of \$25,016 or \$12.13 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, one of which is located within the subject's assessment neighborhood. The comparables are improved with 1-story, class 2-04 dwellings of frame and masonry exterior construction ranging in size from 1,775 to 2,256 square feet of living area. The homes range in age from 52 to 70 years old. Each comparable has a partial basement with finished area and a 2-car garage. Two comparables each have central air conditioning. Two comparables each have one fireplace. The comparables have improvement assessments ranging from \$23,844 to \$27,480 or from \$12.18 to \$13.86 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables and board of review comparable #1 due to substantial differences from the subject in age and/or lack of a basement foundation, in contrast to the subject's partial basement. In addition, two of the parties' comparables lack central air conditioning, which the subject features.

The Board finds the best evidence of assessment equity to be board of review comparables #2 and #3 which are overall most similar to the subject in design/class, age, dwelling size, and most features. These two best comparables have improvement assessments of \$23,844 and \$24,595 or \$12.59 to \$13.86 per square foot of living area, respectively. The subject's improvement assessment of \$25,016 or \$12.13 per square foot of living area falls above the two best comparables in this record on an overall improvement assessment basis and falls below them on a per square foot basis. The subject's improvement assessment is logical considering its larger dwelling size when compared to the two best comparables and the principle of economies of scale. After considering adjustments to the two best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
