DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
24-36355.001-R-1	22-29-230-006-0000	5,699	461	\$6,160

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of three PINs on a 9,118 square foot site. It is improved with a 50-year-old, two-story, multi-family dwelling of masonry construction, with 14,310 square feet of living area. The subject property is located in Lemont, Lemont Township, Cook County and is classified as a 3-14 class property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of its market value argument, the appellant completed Section IV – Recent Sale Data in its Residential Appeal Form indicating the subject property was purchased on December 13, 2022, for \$1,380,000, the sale did not occur between family members, was sold by a realtor, and was advertised for sale with the multiple listing service for a period of two months. The appellant submitted copies of the

Real Estate Contract, Trustee's Deed, and Warranty Affidavit, Bill of Sale. The appellant also submitted a copy of the board of review's written decision reflecting its final total assessment for the subject property of \$156,289 total for all three PINs. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$138,000 total for all three PINs.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total valuation assessment for all three PINs of the subject property of \$156,289 and an improvement assessment of \$139,192. The subject property's valuation assessment for all three of the PINs reflects a market value of \$1,562,890, or \$109.22 per square foot of living area, when using the Cook County Real Property Assessment Classification Ordinance for class 3 property of 10%.

In support of its contention of the correct assessment, the board of review submitted information on six suggested sales comparables. The comparables ranged from 5,735 to 12,000 square feet of living area. One of the board of review's comparables was under contract and had not sold yet. The remaining five comparables sold for prices ranging from \$825,000 to \$1,560,000, or from \$14.75 to \$260.00 per square foot of living area. They sold between February of 2022 and December of 2023.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *did meet* this burden of proof and a reduction in the subject's assessment *is warranted*.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair, voluntary sale where the owner is ready, willing, and able to sell but is not compelled to do so, and the buyer is likewise ready, willing and able but is not forced to do so. *Chrysler Corp. v. State Property Tax Appeal Bd.* 69 Ill. App. 3d 207.

The Board finds the best evidence of market value to be the sale of the subject property submitted by the appellant. The appellant completed Section IV- Recent Sale Data, in its Appeal Form indicating the subject property sold on December 13, 2022, for \$1,380,000, the sale did not occur between family members, was sold by a realtor, and was advertised for sale with the multiple listing service for a period of two months. The appellant submitted copies of the Real Estate Contract, Trustee's Deed, and Warranty Affidavit, Bill of Sale. Based on this record the Board finds the subject property had a market value of \$1,380,000 as of January 1, 2024. Since market value has been determined, a reduction in the subject's assessment commensurate with the appellant's request is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
