

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Laura E. Gertsmeier Trust
DOCKET NO.: 24-36483.001-R-1
PARCEL NO.: 18-20-409-009-0000

The parties of record before the Property Tax Appeal Board are Laura E. Gertsmeier Trust, the appellant(s), by attorney Kelly J. Keeling, of KBC Law Group in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,000
IMPR.: \$39,678
TOTAL: \$47,678

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one and a half-story dwelling of frame and masonry construction with 2,950 square feet of living area. The dwelling is approximately 2,950 square feet of living area. Features of the home include a full basement, central air conditioning, two fireplaces, two and a half bathrooms and a two and a half-car garage. The property is in countryside, Lyons Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables. Each of the appellant comparables are one or one and a half story of frame and masonry material. They range in size from 2,301 to 2,556 square feet of living area; and in improvement assessment from \$20,544 to \$31,878 or \$8.93 to \$12.80 per square feet of living space. They range from 800 feet to 1.2 miles

distance to the subject property. The appellant is seeking a reduction in total assessment to \$34,344.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$47,678. The subject property has an improvement assessment of \$39,678 or \$13.45 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables. Each of the board of review comparables are one to one and a half story of frame or masonry construction. They each have full or partial basements, central air conditioning, one fireplace, two to three and a half bathrooms and a two to four car garage. The board of review is asking for no change in assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds the best evidence of assessment equity to be *appellant's comparable two and board of review comparables one and two*. These comparables best represented the subject property. They had improvement assessments that ranged from \$11.71 to \$17.36 per square foot of living area. The subject's improvement assessment of \$13.45 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant *did not* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
