

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Phillip Hartz
DOCKET NO.: 24-36644.001-R-1
PARCEL NO.: 27-07-406-009-0000

The parties of record before the Property Tax Appeal Board are Phillip Hartz, the appellant(s), by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,064
IMPR.: \$74,436
TOTAL: \$88,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an approximately 25-year-old two-story dwelling of masonry construction with 6,085 square feet of living area. Features of the home include a full basement, central air conditioning, two fireplaces and a 3.5-car garage. The property has a 37,505 square foot site and is located in Orland Park, Orland Township, Cook County. The property is a class 2-09 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$885,000 as of January 1, 2023. The appraiser relied on a sales comparison approach and identified three comparable properties. These properties are located 0.20 to 0.55 four miles away from the subject property. The properties sold between January 2022 and August 2022 for sale prices between \$785,000 and \$1,050,000. The properties have between 4,414 and 8,085 square feet of

living area and have unit sale prices per square foot between \$129.93 and \$206.62. In the appraisal, the appraiser adjusted sale prices based on factors such as living area size, room count, basement type, garage size, fireplaces, deck or patio type, location, and site size. The appellant is requesting a total assessment of \$88,500.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$98,000. The subject's assessment reflects a market value of \$980,000 per square foot of living area, including land. In support of its contention of the correct assessment the board of review submitted information on four comparable sales. The board of review identified four comparable sales for properties located within 0.25 miles of the subject property. The unadjusted sales occurred from February 2022 to May 2023 for sales prices between \$785,000 and \$1,175,000. The sales price per square foot are between \$155.72 and \$233.66. The board of review is requesting that the current assessment be confirmed.

Furthermore, the subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 23-23384.001-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$88,500 on the evidence submitted by the parties. The tax years 2023 and 2024 are within the same general assessment period for Orland Township and the appellant disclosed that the subject property is an owner-occupied residence.

Conclusion of Law

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2023 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185. Additionally, section 10-15 of the Illinois Administrative Procedure Act states: "Standard of proof. Unless otherwise provided by law or stated in the agency's rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence." 5 ILCS 100/10-15. The Board takes official notice that under 21-30260.001-R-1 it rendered a decision lowering the subject's assessment for tax year 2021 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2023 and the instant tax year of 2024 are in the same general assessment period for Orland Township. The Board further finds that the subject is owner-occupied based on the appellant's statement in Section II of the 2024 appeal form, which states that the subject is owner-occupied. The record contains no evidence indicating that the subject sold in an arm's-length transaction subsequent to the Board's decision

for the 2023 tax year, or that the Board's decision for the 2023 tax year was reversed or modified upon review. For these reasons the Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's 2023 tax year decision, plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
