

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rob Bush
DOCKET NO.: 24-37089.001-R-1
PARCEL NO.: 04-17-300-057-0000

The parties of record before the Property Tax Appeal Board are Rob Bush, the appellant(s), by attorney Christopher B. Kaczynski, of Smith Hemmesch Burke & Kaczynski in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$52,508
IMPR.: \$20,492
TOTAL: \$73,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The subject property consists of a single-story dwelling of frame and masonry construction, approximately sixty-seven years-old, with 4,346 square feet of living area on a 37,506 square foot lot in Northbrook, Northfield Township, Cook County. The subject is classified as 2-04 under the Cook County Real Property Assessment Classification Ordinance. Features of the home include four full bathrooms, a half bathroom, a full basement and a three-car garage.

The appellant contends overvaluation as the basis of appeal. In support of its market value argument, the appellant completed Section IV – Recent Sale Data in its Residential Appeal Form indicating the subject property was purchased on March 7, 2024, for \$730,000 or \$167.97 per square foot of living area. The appellant indicates that the sale did not occur between family members, was sold through a realtor and was listed on the multiple listing service (MLS) for an unspecified period of time. The appellant submitted a copy of the real estate contract and the settlement statement showing that each party was represented by a realtor and an attorney.

The board of review submitted its “Board of Review Notes on Appeal” stating the total valuation assessment for the subject property as \$109,002 with an improvement assessment of \$56,494. The valuation assessment reflects a market value of \$1,090,020 when applying the 10% Cook County Real Estate Classification Ordinance assessment for class two properties, or \$311.11 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales. Comparable sales occurred from October 2021 to June 2024 for prices ranging from \$731,100 to \$2,050,000 or \$182.36 to \$354.79 per square foot of living area. The comparable properties are single-story or one-and-a-half story buildings of frame and masonry construction, ranging in age from twenty-five to fifty-seven years-old and ranging in size from 3,104 to 5,778 square feet of living area. The board or review reports that two of its comparables are on the same block as the subject property and two are located within a quarter mile.

Conclusion of Law

The appellant contends that the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proven by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e); Winnebago County Bd. of Review v. Property Tax Appeal Bd., 313 Ill. App. 3d 1038, 1043 (2d Dist. 2000). Proof of market value may consist of a recent sale or appraisal of the subject property, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Property Tax Appeal Board (PTAB) finds the appellant *did not meet* this burden of proof.

The Board finds that the best evidence of market value to be the March 7, 2024, sale of the subject property for a price of \$730,000. The board of review has not refuted the arms-length nature of the sale which did not occur between family members, was transacted with each party represented by a realtor and an attorney and was listed on the MLS. Based on this record the Board finds that the subject property had a market value of \$7,300,000. The Board finds that the market value established by the purchase price is below the assessment and therefore a reduction in the subject's assessment *is* appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
