

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jeffrey Pahati
DOCKET NO.: 24-37911.001-R-1
PARCEL NO.: 02-21-300-016-0000

The parties of record before the Property Tax Appeal Board are Jeffrey Pahati, the appellant(s), by attorney Glenn Guttman, of Rieff Schramm Kanter & Guttman in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$22,253
IMPR.: \$45,497
TOTAL: \$67,750

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a single-story dwelling of masonry construction, approximately forty-nine years-old, with 3,920 square feet of living area on a 74,178 square foot lot in Inverness, Palatine Township, Cook County. The subject is classified as 2-04 under the Cook County Real Property Assessment Classification Ordinance. Features of the home include three full bathrooms, a half bathroom, a full unfinished basement and a three-car garage.

The appellant contends overvaluation as the basis of appeal. In support of its market value argument, the appellant completed Section IV – Recent Sale Data in its Residential Appeal Form indicating the subject property was purchased on November 10, 2022, for \$677,500 or \$172.83 per square foot of living area. The appellant indicates that the sale did not occur between family members or related companies, was sold through a realtor and was listed on the multiple listing service (MLS) for 30 days. The appellant submitted a copy of the Illinois Real Estate Transfer

Declaration and the Cook County Real Estate Transfer Declaration disclosing the purchase price of \$677,500.

The board of review submitted its “Board of Review Notes on Appeal” stating the total valuation assessment for the subject property as \$69,000 with an improvement assessment of \$46,747. The valuation assessment reflects a market value of \$690,000 when applying the 10% Cook County Real Estate Classification Ordinance assessment for class two properties, or \$176.02 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales but only provided sales dates and prices for two of the comparables. Comparable sales occurred April 22, 2021, and August 18, 2023, for \$760,000 and \$1,200,000 or \$147.29 and \$181.19 per square foot of living area. The comparable properties are single-story frame, masonry or frame and masonry buildings, ranging in age from forty-two to fifty-two years-old and ranging in size from 2,670 to 6,623 square feet of living area. The record is silent on the proximity of the comparables to the subject property.

Conclusion of Law

The appellant contends that the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proven by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e); Winnebago County Bd. of Review v. Property Tax Appeal Bd., 313 Ill. App. 3d 1038, 1043 (2d Dist. 2000). Proof of market value may consist of a recent sale or appraisal of the subject property, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Property Tax Appeal Board (PTAB) finds the appellant *did meet* this burden of proof.

The Board finds that the best evidence of market value to be the November 10, 2022, sale of the subject property for a price of \$677,500. The board of review has not refuted the arms-length nature of the sale which did not occur between family members, was sold through a realtor and was listed on the MLS. Based on this record the Board finds that the subject property had a market value of \$677,500. The Board finds that the market value established by the purchase price is below the assessment and therefore a reduction in the subject’s assessment *is* appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
