FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Frank Karnavas
DOCKET NO.: 24-38112.001-R-1
PARCEL NO.: 20-33-212-007-0000

The parties of record before the Property Tax Appeal Board are Frank Karnavas, the appellant, by attorney Patrick C. Turner, of Tabangay & Turner LLC in Elmhurst; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***A Reduction*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$1,363
IMPR.:	$8,705
TOTAL:	$10,068

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of masonry exterior construction with 1,040 square feet of living area. The dwelling is approximately 61 years old. Features include a full basement finished with a formal recreation room, central air conditioning, and a 2-car garage. The property has a 2,725 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables located in the subject's assessment neighborhood and within 0.2 of a mile from the subject property. The comparables are improved with 1-story, class 2-03 dwellings of masonry exterior construction with each having 1,056 square feet of living area. The homes are either 60

or 62 years old. Each comparable has a full basement finished with either an apartment or a formal recreation room, central air conditioning, and a 2-car garage. The comparables have improvement assessments ranging from $8,365 to $9,365 or from $7.92 to $8.87 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to $8,237.

The appellant submitted a copy of the Cook County Board of Review final decision for the 2024 tax year disclosing the total assessment for the subject property of $11,438. The subject property has an improvement assessment of $10,075 or $9.69 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal." The board of review did not provide any evidence in support of its contention of the correct assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). Based on this limited record, the Board finds a reduction in the subject's assessment is warranted.

The appellant submitted three equity comparables for the Board's consideration, as the board of review failed to provide any suggested comparables. The Board finds the appellant's comparables to be similar to the subject in location, design/class, age, dwelling size, and features. These comparables have improvement assessments ranging from $8,365 to $9,365 or from $7.92 to $8.87 per square foot of living area. The subject's improvement assessment of $10,075 or $9.69 per square foot of living area falls above the range established by the comparables in this record and appears to be excessive. Based on this limited record and after considering appropriate adjustments to the comparables for differences from the subject, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
