

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Margaret Kontos
DOCKET NO.: 24-38323.001-R-1
PARCEL NO.: 15-33-125-020-0000

The parties of record before the Property Tax Appeal Board are Margaret Kontos, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,020
IMPR.: \$22,480
TOTAL: \$31,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 73-year-old, one-story, single-family dwelling of frame and masonry construction with 1,589 square feet of living area. Located in La Grange Park, Proviso Township, Cook County, the subject property has an 8,200 square foot site. The subject property is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$315,000 after appropriate adjustments, as of January 1, 2023. The appraiser utilized the sales comparison approach based on three sales comparables that sold between July 2021 and September 2022 for prices ranging from \$280,000 to \$320,000. The appellant also submitted a copy of the board of review's written decision providing a total assessed valuation for the subject property of

\$44,947. Based on this evidence, appellant requests the subject property's total assessment be reduced to \$31,500.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$44,947. The subject's assessment reflects a market value of \$449,470, or \$282.86 per square foot of living area, including land, when applying the level of assessments for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted four comparable sales properties. Each of the comparable properties were improved with a one-story, single-family dwelling, of either masonry or frame construction. They ranged in living area from 1,145 to 1,569 square feet. The board of review's comparables sold between March 2022 and June 2023 for prices ranging from \$412,000 to \$640,000, or from \$309.11 to \$523.73 per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *did meet* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value to be *the appraisal submitted by appellant*. The appraiser utilized the sales comparison approach based on three sales comparables. After the appraiser made appropriate adjustments, the appraiser estimated the market value of the subject property to be \$315,000 as of January 1, 2023. The subject's assessment of \$44,947 reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$315,000 as of the assessment date at issue. Since market value has been established the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
