

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nilda Hernandez
DOCKET NO.: 24-38332.001-R-1
PARCEL NO.: 12-25-304-034-0000

The parties of record before the Property Tax Appeal Board are Nilda Hernandez, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,063
IMPR.: \$24,938
TOTAL: \$30,001

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of masonry exterior construction with 1,762 square feet of living area. The dwelling is approximately 95 years old. Features of the home include a full basement with finished area¹, 1½ bathrooms, central air conditioning, and a 1-car garage. The property has a 3,750 square foot site and is located in Elmwood Park, Leyden Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four comparables located within the same assessment neighborhood as the subject. The comparables consist of class 2-03, 1.5-story dwellings of masonry exterior construction ranging in size from 1,675 to

¹ The board of review disclosed the subject has a finished basement area, which was unrefuted by the appellant.

1,767 square feet of living area. The dwellings are 94 to 96 years old. The dwellings have full basements with "N/A" disclosed for the finished area. Each comparable has 1½ or 2 bathrooms, central air conditioning and a 1½-car or a 2-car garage. Two comparables each have a fireplace. The comparables have improvement assessments ranging from \$21,148 to \$23,563 or from \$12.21 to \$13.61 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$23,100 or \$13.11 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$30,001. The subject property has an improvement assessment of \$24,938 or \$14.15 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four comparables located within the same assessment neighborhood as the subject. The comparables consist of class 2-03, 1.5-story dwellings of frame or frame and masonry exterior construction ranging in size from 1,424 to 1,658 square feet of living area. The dwellings are 84 to 101 years old. Each comparable has a full basement with three having finished area, 1 or 2 bathrooms and either a 1½-car or a 2-car garage. Two comparables each have central air conditioning. The comparables have improvement assessments ranging from \$22,006 to \$26,088 or from \$15.01 to \$15.87 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparables for the Board's consideration. The Board gives less weight to the board of review's comparables #1, #2 and #3 which differ from the subject in dwelling size and/or lack central air conditioning, which is a feature of the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables and the board of review's comparable #3 which are overall most similar to the subject in age, dwelling size, location and some features. These five comparables have improvement assessments ranging from \$21,148 to \$26,088 or from \$12.21 to \$15.73 per square foot of living area. The subject's improvement assessment of \$24,938 or \$14.15 per square foot of living area falls within the range established by the best comparables in this record. After considering adjustments to the best comparables for differences, such as an unfinished basement area, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
