

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David White  
DOCKET NO.: 24-38356.001-R-1  
PARCEL NO.: 04-35-103-014-0000

The parties of record before the Property Tax Appeal Board are David White, the appellant(s), by attorney Jeremy Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$10,160  
**IMPR.:** \$53,064  
**TOTAL:** \$63,224

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of an approximately 72-year-old dwelling of frame construction with 2,873 square feet of living area. Features of the home include a crawlspace, central air conditioning, a fireplace and a one-car garage. The property has a 6,350 square foot site and is located in Glenview, Northfield Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables. The comparables are located 0.7 miles away from the subject property. The comparables are 64- to 68-year-old two-story class 2-06 residences with frame or frame and masonry construction. The comparables have between 2,653 and 2,864 square feet of living area and have improvement assessments

between \$17.78 and \$18.84 per square foot of living area. The appellant is requesting a total assessment of \$63,167.

Furthermore, the subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 23-52289.001-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$63,224 on the evidence submitted by the parties. The tax years 2022 and 2024 are within the same general assessment period for West Chicago Township and the appellant disclosed that the subject property is an owner-occupied residence.

The county board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$69,000. The subject property has an improvement assessment of \$58,840 or \$20.48 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables. These comparables are located 0.25 miles away from or on the same block as the subject property. The comparables are 66- to 87-year-old two-story residences with frame, masonry, or frame and masonry construction. The comparables have between 2,536 and 2,966 square feet of living area and have improvement assessments between \$21.67 and \$25.15 per square foot. The board of review is requesting that the current assessment be confirmed.

### **Conclusion of Law**

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2022 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185. Additionally, section 10-15 of the Illinois Administrative Procedure Act states: "Standard of proof. Unless otherwise provided by law or stated in the agency's rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence." 5 ILCS 100/10-15. The Board takes official notice that under 21-30260.001-R-1 it rendered a decision lowering the subject's assessment for tax year 2022 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2022 and the instant tax year of 2022 are in the same general assessment period for Northfield Township. The Board further finds that the subject is owner-occupied based on the appellant's statement in Section II of the 2024 appeal form, which states that the subject is owner-occupied. The record contains no evidence indicating that the subject sold in an arm's-length transaction subsequent to the Board's decision for the 2022 tax year, or that the Board's decision for the 2022 tax year was reversed or modified

upon review. For these reasons the Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's 2022 tax year decision, plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
