FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: David Selleck
DOCKET NO.: 24-38865.001-R-1
PARCEL NO.: 25-07-219-020-0000

The parties of record before the Property Tax Appeal Board are David Selleck, the appellant, by attorney Sami Kashkeesh, of Kashkeesh Law in Orland Park; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$11,188
IMPR.:	$18,813
TOTAL:	$30,001

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 1,800 square feet of living area. The dwelling is approximately 132 years old. Features of the home include a full unfinished basement, a fireplace and a 2-car garage. The property has an 8,950 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the subject's assessment neighborhood and from 0.07 of a mile to 1.39 miles of the subject property. The comparables are improved with class 2-05, 2-story dwellings of frame exterior construction ranging in size from 1,839 to 2,016 square feet of living

area. The dwellings are from 93 to 121 years old. Each comparable has a full unfinished basement, one comparable has central air conditioning, one comparable has a fireplace, and three comparables have either a 1-car or a 2-car garage. The comparables have improvement assessments that range from $13,188 to $17,376 or from $7.17 to $8.65 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to $14,742 or $8.19 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $30,001. The subject property has an improvement assessment of $18,813 or $10.45 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the subject's assessment neighborhood and within the subject's block or approximately ¼ of a mile from the subject property. The comparables are improved with class 2-05, 2-story dwellings of frame exterior construction ranging in size from 1,858 to 2,168 square feet of living area. The dwellings are from 112 to 127 years old. Each comparable has a full basement, with one having finished area. Two comparables each have central air conditioning, one comparable has a fireplace, and three comparables have either a 2-car or a 4-car garage. The comparables have improvement assessments that range from $21,563 to $28,701 or from $11.07 to $13.24 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #4 along with the board of review's comparables #1, #2 and #3 due to differences in their age, dwelling size, presence of central air conditioning or a lack of garage when compared to the subject. In addition, the Board has given less weight to the appellant's two comparables which are located over a mile from the subject.

The Board gives greater weight to the parties' remaining comparables which overall are more similar to the subject in location, design, dwelling size, age, and most features. These three comparables have improvement assessments ranging from $17,000 to $21,563 or from $8.43 to $11.61 per square foot of living area. The subject's improvement assessment of $18,813 or $10.45 per square foot of living area falls within the range established by the best comparables in this record. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence

that the subject's improvement was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
