

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kazuko Maeda
DOCKET NO.: 24-40259.001-R-1
PARCEL NO.: 03-27-304-002-0000

The parties of record before the Property Tax Appeal Board are Kazuko Maeda, the appellant, by attorney Kyle Gordon Kamego, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,978
IMPR.: \$25,556
TOTAL: \$34,534

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of frame exterior construction with 2,025 square feet of living area. The dwelling is approximately 52 years old. Features of the home include a crawl space foundation, central air conditioning, a fireplace and a 2-car garage. The property has a 22,445 square foot site and is located in Mount Prospect, Wheeling Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity regarding the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four comparables located within the subject's assessment neighborhood and from 1.2 to 1.6 miles from the subject. The comparables consist of class 2-04 dwellings of frame exterior construction ranging in size from 2,179 to 2,402 square feet of living area. The homes are 63 to 84 years old. Each

comparable has a crawl space or slab foundation, central air conditioning, a fireplace, and either a 1½-car, 2-car or 3-car garage. The comparables have improvement assessments ranging from \$22,265 to \$27,816 or from \$9.90 to \$11.60 per square foot of living area. Based on this evidence the appellant requested the subject's improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal." The appellant submitted a copy of the Cook County Board of Review final decision disclosing the total assessment for the subject of \$34,534. The subject property has an improvement assessment of \$25,556 or \$12.62 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four comparables located within the subject's assessment neighborhood and with the subject's block or approximately ¼ of a mile from the subject. The comparables consist of 1-story, class 2-04 dwellings of frame or masonry exterior construction ranging in size from 1,803 to 2,106 square feet of living area. The homes are 39 to 70 years old. One comparable has a partial basement, and three comparables have a crawl space or slab foundation. Each comparable has central air conditioning and a 2-car garage, and two comparables each have a fireplace. The comparables have improvement assessments ranging from \$26,040 to \$30,598 or from \$13.89 to \$15.50 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Adm.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Adm.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight equity comparables for the Board's consideration, all of which differ in age to the from the subject. Nevertheless, the Board gives less weight to the appellant's comparables which are located over a mile from the subject and two of the comparables are also less similar in dwelling size to the subject. The Board also gives less weight to the board of review comparable #2 due to its dissimilar foundation type when compared to the subject.

The Board gives more weight to the board of review's comparables #1, #3 and #4 which are located within the subject's same block or approximately ¼ of a mile from the subject and are also relatively similar to the subject in dwelling size and foundation type. However, these comparables still require varying adjustments for differences in their newer/older ages to make them more equivalent to the subject. These three comparables have improvement assessments ranging from \$27,944 to \$30,598 or from \$14.53 to \$15.50 per square foot of living area. The subject's improvement assessment of \$25,556 or \$12.62 per square foot of living area falls within the range established by the most similar comparables in the record. After considering

adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
