

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Eva & Paul Dobowski  
DOCKET NO.: 24-40478.001-R-1  
PARCEL NO.: 27-06-205-011-0000

The parties of record before the Property Tax Appeal Board are Eva & Paul Dobowski, the appellants, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$7,108  
**IMPR.:** \$65,993  
**TOTAL:** \$73,101

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of frame and masonry exterior construction with 3,634 square feet of living area. The dwelling is approximately 9 years old. Features of the home include a full basement with finished area, 2½ bathrooms, central air conditioning and a 3-car garage. The property has an 11,373 square foot site and is located in Orland Park, Orland Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellants submitted information on eight comparables located within the subject's assessment neighborhood and within 0.26 of a mile from the subject property. The comparables consist of class 2-78, 2-story dwellings of masonry or frame and masonry exterior construction ranging in size from 3,030 to 3,755 square feet of living area. The

homes are from 8 to 25 years old. Each comparable has a full basement with four having finished area, either 2½ or 3½ bathrooms and central air conditioning. Seven comparables have either a 2½-car or a 3-car garage. The comparables have improvement assessments ranging from \$44,572 to \$66,494 or from \$13.69 to \$17.88 per square foot of living area. Based on this evidence, the appellants requested that the subject's improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject property of \$73,101. The subject property has an improvement assessment of \$65,993 or \$18.16 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four comparables located within the subject's assessment neighborhood and approximately ¼ of a mile of the subject. The comparables consist of class 2-78, 2-story dwellings of frame and masonry exterior construction ranging in size from 2,865 to 3,540 square feet of living area. The homes are 6 or 8 years old. Each comparable has a full basement with three having finished area, either 2½, 3½ or 4½ bathrooms, central air conditioning and 3-car garage. The comparables have improvement assessments ranging from \$58,676 to \$72,683 or from \$20.11 to \$20.53 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

### **Conclusion of Law**

The appellants contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted twelve suggested equity comparables for the Board's consideration. The Board gives less weight to the appellants' comparables #2, #5, #6, #7 and #8 along with the board of review's comparables #3 and #4 due to significant differences from the subject in their older ages, smaller dwelling sizes, and/or lack a finished basement area or a garage, which are features of the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are overall most similar to the subject in location, design, age, dwelling size and most features. These five comparables have improvement assessments that range from \$60,900 to \$72,683 or from \$17.51 to \$20.53 per square foot of living area. The subject's improvement assessment of \$65,993 or \$18.16 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
