

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Wayne Johnson
DOCKET NO.: 24-40512.001-R-1
PARCEL NO.: 27-29-405-001-0000

The parties of record before the Property Tax Appeal Board are Wayne Johnson, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,733
IMPR.: \$58,983
TOTAL: \$69,716

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame and masonry exterior construction containing 5,133 square feet of living area. The dwelling is approximately 31 years old. Features of the home include a partial unfinished basement, central air conditioning, 2 fireplaces, 4 full bathrooms and a 3-car garage. The property has a 14,310 square foot site located in Orland Park, Orland Township, Cook County. The subject is classified as a class 2-09 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on seven equity comparables located from 0.11 to 0.94 of a mile from the subject property. Four comparables are also located within the subject's assessment neighborhood. The comparables consist of class 2-08 or 2-09, 2-story dwellings of masonry or frame and masonry exterior construction ranging

in size from 4,698 to 5,907 square feet of living area. The homes are from 25 to 35 years old. Each comparable has a partial or a full unfinished basement, central air conditioning, 2 fireplaces, from 2 to 5 full bathrooms. Four comparables each have 1 half bathrooms, and six comparables have either a 2-car or a 3-car garage. The comparables have improvement assessments that range from \$49,520 to \$60,234 or from \$9.05 to \$11.24 per square foot of living area. The appellant requested the subject's improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$69,716. The subject property has an improvement assessment of \$58,983 or \$11.49 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the subject's assessment neighborhood and within the subject's subarea or approximately $\frac{1}{4}$ of a mile from the subject property. The comparables consist of class 2-09, 2-story dwellings of masonry or frame and masonry exterior construction ranging in size from 5,012 to 5,572 square feet of living area. The homes are from 9 to 26 years old. Each comparable has a full basement with one having finished area, central air conditioning, 1 or 2 fireplaces, either 3 or 4 full bathrooms and either a 3-car or a 4-car garage. Three comparables each have 1 half bathroom. The comparables have improvement assessments that range from \$65,008 to \$79,950 or from \$11.67 to \$15.00 per square foot of living area.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eleven assessment equity comparables for the Board's consideration. The Board gives less weight to appellant's comparables #7 as well as the board of review's comparables #3 and #4 due to significant differences in their dwelling size or age when compared to the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables. These comparables are relatively similar to the subject in age and dwelling size with varying degrees of similarity in other features. These eight comparables have improvement assessments that range from \$49,520 to \$66,550 or from \$9.52 to \$12.44 per square foot of living area. The subject's improvement assessment of \$58,983 or \$11.49 per square foot of living area falls within the range established by the best comparables in this record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvement assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
