

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

'APPELLANT: Penny Sierros
DOCKET NO.: 24-40566.001-R-1
PARCEL NO.: 27-01-304-007-0000

The parties of record before the Property Tax Appeal Board are Penny Sierros, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,972
IMPR.: \$23,029
TOTAL: \$38,001

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of masonry exterior construction with 2,250 square feet of living area. The dwelling is approximately 38 years old. Features of the home include a partial basement, 2 full and 1 half bathrooms and a 2.5-car garage. The property has a 19,962 square foot site and is located in Orland Park, Orland Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on six comparables located within the subject's assessment neighborhood and within 0.33 of a mile from the subject property. The comparables consist of class 2-04, 1-story dwellings of masonry or frame and masonry exterior construction ranging in size from 2,236 to 4,279 square feet of living area. The

dwellings are 37 to 68 years old. Each comparable has a partial or full basement with three having finished area, 1 to 4 full bathrooms with four having 1 or 2 half bathrooms, five comparables each have central air conditioning, and five comparables each have a 2-car garage. The comparables have improvement assessments ranging from \$18,912 to \$39,795 or from \$7.13 to \$9.30 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject property of \$38,001. The subject property has an improvement assessment of \$23,029 or \$10.24 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four comparables located within the subject's assessment neighborhood and within the subject's subarea or approximately ¼ of a mile from the subject property. The comparables consist of class 2-04, 1-story dwellings of masonry exterior construction ranging in size from 2,294 to 2,589 square feet of living area. The comparables are 22 to 39 years old. Each comparable has a partial or full basement with one having finished area, 2 full and 1 half bathrooms, central air conditioning and either a 2-car or 3-car garage. The comparables have improvement assessments ranging from \$30,235 to \$34,213 or from \$13.14 to \$13.21 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted ten comparable properties for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #3, #4, #5 and #6 which are significantly less similar to the subject in age and/or dwelling size than the other comparables in the record.

The Board finds the best evidence of assessment equity to be the appellant's comparable #2 and the board of review's comparables which are overall more similar to the subject in location, age, dwelling size and bathroom count but still require adjustments for varying degrees of similarity to the subject in features. These five comparables have improvement assessments ranging from \$20,000 to \$34,213 or from \$8.94 to \$13.21 per square foot of living area. The subject's improvement assessment of \$23,029 or \$10.24 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
