FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Michael Baranowski
DOCKET NO.: 24-40629.001-R-1
PARCEL NO.: 19-17-214-014-0000

The parties of record before the Property Tax Appeal Board are Michael Baranowski, the appellant, by Amy C. Floyd, Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$5,250
IMPR.:	$22,750
TOTAL:	$28,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of masonry exterior construction with 1,194 square feet of living area. The dwelling is approximately 62 years old. Features include a full basement with finished area and a 2-car garage.[1] The property has an approximately 3,750 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located in the subject's assessment neighborhood. The comparables are improved

[1] The Board finds the best description of the subject was found in the evidence presented by the board of review, which was unrefuted by the appellant.

with 1-story, class 2-03 dwellings of frame or frame and masonry exterior construction ranging in size from 1,446 to 1,643 square feet of living area. The homes are from 68 to 71 years old. Two comparables each have a slab foundation and two comparables each have a crawl space foundation. Three comparables each have from a 1-car to a 2-car garage. The comparables have improvement assessments ranging from $17,367 to $21,750 or from $12.01 to $13.49 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $28,000. The subject property has an improvement assessment of $22,750 or $19.05 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the subject's assessment neighborhood. The comparables are improved with 1-story, class 2-03 dwellings of masonry exterior construction ranging in size from 1,071 to 1,224 square feet of living area. The homes are from 63 to 69 years old. Each comparable has a full basement, three of which have finished area, and a 2-car or a 2.5-car garage. One comparable has central air conditioning. One comparable has one fireplace. The comparables have improvement assessments ranging from $22,488 to $23,443 or from $19.15 to $21.00 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board gives less weight to appellant's comparables which are substantially larger homes than the subject, lack a basement foundation, which the subject features, and/or lack a garage amenity, which is a feature of the subject. The Board also gives less weight to board of review comparable #2 which features central air conditioning, a feature the subject lacks. The Board finds the best evidence of assessment equity to be board of review comparables #1, #3, and #4 which are overall more similar to the subject in location, age, design, dwelling size, foundation, and features. The best comparables have improvement assessments ranging from $22,488 to $23,443 or from $19.15 to $20.94 per square foot of living area. The subject's improvement assessment of $22,750 or $19.05 per square foot of living area falls within the range established by the best comparables in this record on an overall basis and below the range on a per square foot basis. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
