

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Commercial Acquisitions, LLC
DOCKET NO.: 24-40920.001-R-1
PARCEL NO.: 19-19-100-018-0000

The parties of record before the Property Tax Appeal Board are Commercial Acquisitions, LLC, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,944
IMPR.: \$20,056
TOTAL: \$24,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of frame exterior construction with 1,080 square feet of living area. The dwelling was built in 1962 and is approximately 62 years old. Features include a slab foundation. The property has a 2,817 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity regarding the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the subject's assessment neighborhood. The comparables are improved with 1-story, class 2-03 homes of frame exterior construction ranging in size from 1,091 to 1,200 square feet of living area. The dwellings are from 48 to 60 years old. Each comparable has a slab foundation. Two comparables each have a 1-car or a 2-car garage. The

comparables have improvement assessments ranging from \$19,668 to \$22,750 or from \$18.03 to \$18.96 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment to \$20,056 or \$18.57 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$25,000. The subject property has an improvement assessment of \$21,056 or \$19.50 per square foot of living area.

The board of review did not submit any evidence in support of its contention of the correct assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The appellant submitted four suggested equity comparables for the Board's consideration, as the board of review failed to provide any suggested comparables. The Board finds the appellant's comparables to be relatively similar to the subject in location, design/class, age, and dwelling size. However, two comparables have a garage amenity, which the subject lacks, suggesting downward adjustments to these comparables for this difference will be necessary to make them more equivalent to the subject. Nevertheless, these four comparables have improvement assessments ranging from \$19,668 to \$22,750 or from \$18.03 to \$18.96 per square foot of living area. The subject's improvement assessment of \$21,056 or \$19.50 per square foot of living area falls within the range established by the comparables in this record on an overall improvement assessment basis, but falls above the range on a per square foot basis. Based on the evidence in this record and after considering appropriate adjustments to the comparables for differences from the subject, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment, commensurate with the appellant's request, is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
