

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Commercial Acquisitions, LLC
DOCKET NO.: 24-41319.001-R-1
PARCEL NO.: 20-31-422-015-0000

The parties of record before the Property Tax Appeal Board are Commercial Acquisitions, LLC, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,562
IMPR.: \$6,241
TOTAL: \$7,803

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 1-story dwelling of masonry exterior construction with 930 square feet of living area. The dwelling is approximately 100 years old. Features include a full basement with finished area and a 2-car garage. The property has a 3,125 square foot site located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity regarding the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four comparables located within the subject's assessment neighborhood. The comparables are improved with 1-story, class 2-02 dwellings of masonry exterior construction ranging in size from 922 to 936 square feet of living area. The dwellings are 94 to 100 years old. Each comparable has a full basement and a 2-car garage. The comparables have improvement assessments ranging from

\$5,338 to \$6,738 or from \$5.74 to 7.25 per square foot of living area. The appellant requested the subject's improvement assessment be reduced to \$6,241.

The board of review submitted its "Board of Review Notes on Appeal." The appellant submitted a copy of the Cook County Board of Review final decision for the 2024 tax year disclosing the total assessment for the subject property of \$18,852. The subject property has an improvement assessment of \$17,290 or \$18.59 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three comparables located within the subject's assessment neighborhood. The comparables are improved with 1-story, class 2-02 dwellings of masonry or frame and masonry exterior construction ranging in size from 930 to 988 square feet of living area. The dwellings are 67 to 101 years old. Each comparable has a full basement and two comparables each have a 1-car garage. The comparables have improvement assessments ranging from \$7,438 to \$22,140 or from \$8.00 to \$22.73 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted seven equity comparables for the Board's consideration. The Board gives less weight to board of review comparable #1 and #3 which lacks a garage amenity, which is a feature of the subject, and board of review comparable #3 which is a considerably newer home than the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables and board of review comparable #2 which are similar, if not identical, to the subject in location, design, classification, age, dwelling size, and other features. The best comparables have improvement assessments ranging from \$5,338 to \$7,438 or from \$5.74 to 8.00 per square foot of living area. The subject's improvement assessment of \$17,290 or \$18.59 per square foot of living area falls above the range established by the best comparables in this record and appears to be excessive. Based on this record, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment, commensurate with the appellant's request, is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
