

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ronnie Tadros
DOCKET NO.: 24-41771.001-R-1
PARCEL NO.: 27-22-210-007-0000

The parties of record before the Property Tax Appeal Board are Ronnie Tadros, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,585
IMPR.: \$26,415
TOTAL: \$31,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a multi-level dwelling of frame and masonry exterior construction with 1,347 square feet of living area. The home is approximately 51 years old. Features include a partial basement with finished area, 1½ half bathrooms, 2 fireplaces and a 2-car garage. The property has a 9,170 square foot site and is located in Orland Hills, Orland Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four comparables located within the subject's assessment neighborhood and within 0.05 of a mile from the subject. The comparables consist of class 2-34, multi-level dwellings of masonry or frame or frame and masonry exterior construction ranging in size from 1,419 to 1,954 square feet of living area. The

homes are 40 to 46 years old. The homes have partial basements with finished area, 1½, 2 or 2½ bathrooms, central air conditioning, 1 or 2 fireplaces and a 2-car garage. The comparables have improvement assessments ranging from \$25,976 to \$30,415 or from \$15.50 to \$18.31 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$22,522 or \$16.72 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject property of \$31,000. The subject property has an improvement assessment of \$26,415 or \$19.61 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four comparables located within the same assessment neighborhood, block and street as the subject. The comparables consist of class 2-34, multi-level dwellings of frame and masonry exterior construction ranging in size from 1,311 to 1,409 square feet of living area. The homes are 41 or 51 years old. The homes have partial basements with finished area, 1½ or 2 bathrooms and a 2-car garage. Three comparables each have central air conditioning, and two comparables each have a fireplace. The comparables have improvement assessments ranging from \$26,415 to \$28,415 or from \$19.61 to \$20.35 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #2, #3 and #4 due to differences from the subject in their larger dwelling sizes.

The Board finds the best evidence of assessment equity to be the appellant's comparable #1 and the board of review's comparables. These comparables are overall most similar, of which the board of review comparable #1 is identical, to the subject in location, dwelling size, age, and/or other features. These five comparables have improvement assessments ranging from \$25,976 to \$28,415 or from \$18.31 to \$20.35 per square foot of living area. The subject's improvement assessment of \$26,415 or \$19.61 per square foot of living area falls within the range established by the best comparables in the record and is equivalent to the improvement assessment of the board of review comparable #1. After considering adjustments to the best comparables for differences in features from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
