

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark & Barbara McDonald  
DOCKET NO.: 24-41781.001-R-1  
PARCEL NO.: 27-24-305-034-0000

The parties of record before the Property Tax Appeal Board are Mark & Barbara McDonald, the appellants, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$5,262  
**IMPR.:** \$22,220  
**TOTAL:** \$27,482

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a multi-level dwelling of frame and masonry exterior construction with 1,167 square feet of living area. The dwelling is approximately 53 years old. The home features a partial basement with finished area, 1½ bathrooms, central air conditioning and a 2-car garage. The property has an 8,770 square foot site and is located in Tinley Park, Orland Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend overvaluation as the basis of the appeal. In support of this argument, the appellants submitted information on three comparable sales located within the subject's assessment neighborhood and within 0.16 of a mile from the subject. The parcels have from 6,660 to 8,951 square feet of land area that are improved with class 2-34, multi-level dwellings of frame or frame and masonry exterior construction ranging in size from 1,044 to 1,776 square feet

of living area. The dwellings are 51 or 53 years old. The comparables have partial basements with finished area. Each comparable has 1 or 1½ bathrooms, one comparable has central air conditioning, and two comparables have either a 1-car or a 2-car garage. The comparables sold from July 2022 to September 2024 for prices ranging from \$229,900 to \$305,000 or from \$171.73 to \$220.21 per square foot of living area, including land.

Based on this evidence, the appellants requested the subject's total assessment be reduced to \$23,470 which reflects a market value of \$234,700 or \$201.11 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$27,482. The subject's assessment reflects a market value of \$274,820 or \$235.49 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on two comparable sales located within the subject's assessment neighborhood and the subject's subarea or approximately ¼ of a mile from the subject. The comparables have 7,500 or 8,346 square feet of land area that are improved with class 2-34, multi-level dwellings of frame exterior construction containing 1,059 or 1,117 square feet of living area. The dwellings are each 54 years old. Each comparable has a partial basement with finished area, 1½ bathrooms and either a 1½-car or a 2-car garage. One comparable has central air conditioning. These two comparables sold in March or November of 2023 for prices of \$267,000 and \$285,000 or \$252.12 and \$255.15 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted five suggested comparable sales for the Board's consideration. The Board gives less weight to the appellants' sale #3 which significantly differs from the subject in dwelling size. The Board also gives less weight to the appellants' sale #2 which sold in July 2022 less proximate in time to the January 1, 2024 assessment date at issue than the other comparables in the record.

The Board finds the best evidence of market value to be the appellants' sale #1 and the board of review's sales which sold proximate in time to the assessment date at issue and are relatively similar to the subject in location, age, dwelling size, and some features. These three comparables sold from March 2023 to September 2024 for prices ranging from \$229,900 to \$285,000 or from

\$220.21 to \$255.15 per square foot of living area, including land. The subject's estimated market value based on its assessment of \$274,820 or \$235.49 per square foot of living area, land included, falls within the range established by the best comparable sales in the record. Based on this record and after considering adjustments to the best sales comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
