

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Holli Kohl  
DOCKET NO.: 24-42070.001-R-1  
PARCEL NO.: 03-05-214-006-0000

The parties of record before the Property Tax Appeal Board are Holli Kohl, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$6,480  
**IMPR.:** \$19,000  
**TOTAL:** \$25,480

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story dwelling of frame exterior construction with 1,389 square feet of living area. The dwelling is approximately 62 years old. Features of the home include a crawl space foundation and a 1-car garage. The property has a 7,200 square foot site and is located in Buffalo Grove, Wheeling Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity regarding the improvement as the basis of the appeal. In support of this argument the appellant submitted information on six equity comparables located within the same assessment neighborhood code as the subject and within 0.48 of a mile from the subject. The comparables are improved with 1-story homes ranging in size from 1,321 to 1,593 square feet of living area that are from 61 to 65 years old. Five homes have a basement and one home has a slab foundation. Three homes have central air conditioning

and five comparables have a 1-car or a 1.5-car garage. The comparables have improvement assessments ranging from \$16,170 to \$20,520 or from \$11.73 to \$13.93 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment to \$18,057.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$28,000. The subject property has an improvement assessment of \$21,520 or \$15.49 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the same assessment neighborhood code as the subject and on the same block or 0.25 of a mile from the subject. The comparables are improved with 1-story homes ranging in size from 1,120 to 1,264 square feet of living area that are from 57 to 60 years old. Each home has a basement and a 1-car or a 2-car garage. One home has central air conditioning. The comparables have improvement assessments ranging from \$22,520 to \$23,520 or from \$17.82 to \$21.00 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In written rebuttal, the appellant argued the board of review's comparables #1, #2, and #3 are dissimilar raised ranch style homes compared to the subject's ranch style home. The appellant submitted photographs of the appellant's comparables depicting ranch style homes, which the appellant argued are more similar to the subject.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains a total of ten equity comparables for the Board's consideration. The Board gives less weight to the board of review's comparables #1, #2, and #3, due to substantial differences from the subject in design and dwelling size, and to the appellant's comparable #2, which lacks a garage that is a feature of the subject.

The Board finds the best evidence of assessment equity to be appellant's comparables #1, #3, #4, #5, and #6 and the board of review comparable #4, which are more similar to the subject in dwelling size, age, location, and some features, although these comparables each have a basement unlike the subject and three comparables have central air conditioning unlike the subject, suggesting downward adjustments to these comparables would be needed to make them more equivalent to the subject. These comparables have improvement assessments that range from \$16,170 to \$22,520 or from \$11.73 to \$17.82 per square foot of living area. The subject's improvement assessment of \$21,520 or \$15.49 per square foot of living area falls within the range established by the best comparables in this record. However, after considering appropriate

adjustments to the best comparables for differences from the subject, such as foundation type, the Board finds the subject's improvement assessment is excessive. Based on this record, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
