

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Toni Dimor  
DOCKET NO.: 24-43729.001-R-1  
PARCEL NO.: 12-01-201-061-0000

The parties of record before the Property Tax Appeal Board are Toni Dimor, the appellant, by Robert Rosenfeld, attorney-at-law of Robert H. Rosenfeld & Associates, LLC in Northbrook, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$10,078  
**IMPR.:** \$29,886  
**TOTAL:** \$39,964

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with a 1.5-story dwelling of frame exterior construction containing 1,747 square feet of living area. The dwelling was constructed in 1954 and is approximately 70 years old. Features of the property include a full basement, central air conditioning, one bathroom and a 2½-car garage. The property has a 4,031 square foot site located in Chicago, Jefferson Township, Cook County. The subject is a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity regarding the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables composed of class 2-03 properties improved with “one or more story” dwellings of frame construction that range in size from 1,620 to 1,759 square feet of living area. The dwellings are from 78 to 136 years old. Each property has a full basement, central air

conditioning, and a 1½-car or 2-car garage. The comparables have 1, 1½ or 2½ bathrooms. These properties have the same neighborhood code as the subject property and are located from .3 to 1.2 miles from the subject property. Their improvement assessments range from \$24,250 to \$28,375 or from \$13.79 to \$16.37 per square foot of living area. The appellant requested the subject's improvement assessment be reduced to \$27,271.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$39,964. The subject property has an improvement assessment of \$29,886 or \$17.11 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables consisting of class 2-03 properties improved with 1.5-story dwellings of masonry or frame and masonry exterior construction that range in size from 1,634 to 1,690 square feet of living area and are from 72 to 77 years old. Each property has a full or partial basement with one having finished area, 1 or 1½ bathrooms and a 2-car garage. Three comparables have central air conditioning. The comparables have the same neighborhood code as the subject property and are in the same block, ¼ of a mile from the subject, or in the "subarea." Comparables #1 and #2 are located on the same street as the subject property. The comparables have improvement assessments ranging from \$29,908 to \$32,100 or from \$17.91 to \$19.15 per square foot of living area.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted information on eight equity comparables with the same classification code and neighborhood code as the subject property to support their respective positions. The Board gives less weight to appellant's comparables #1, #3 and #4 due to differences from the subject in age being from approximately 21 to 66 years older than the subject dwelling. The Board finds the best evidence of assessment equity to be appellant's comparable #2 and the board of review comparables that range in size from 1,620 to 1,690 square feet of living area and are from 72 to 78 years old with varying degrees of similarity to the subject in features. These comparables have improvement assessments that range from \$26,125 to \$32,100 or from \$16.13 to \$19.15 per square foot of living area. The subject's improvement assessment of \$29,886 or \$17.11 per square foot of living area falls within the range established by the best comparables in this record and is below each comparable submitted by the board of review. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
