FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Anna Colletti
DOCKET NO.: 24-44065.001-R-1
PARCEL NO.: 13-29-220-022-0000

The parties of record before the Property Tax Appeal Board are Anna Colletti, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$23,064
IMPR.:	$33,936
TOTAL:	$57,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story, multi-family building of masonry exterior construction with 3,916 square feet of gross building area and is approximately 96 years old. Features of the building include a full basement and a 2-car garage. The property has a 7,440 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity regarding the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the subject's assessment neighborhood and from 1.7 to 3.2 miles from the subject property. The comparables are improved with class 2-11 buildings of masonry exterior construction ranging in size from 3,435 to 4,204 square feet of gross building area. The

buildings are from 85 to 98 years old. Each comparable has a full basement, three of which are finished with either an apartment or a formal recreation room, and a 2-car or a 3-car garage. The comparables have improvement assessments ranging from $23,007 to $30,658 or from $6.42 to $7.36 per square foot of gross building area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $57,000. The subject property has an improvement assessment of $33,936 or $8.67 per square foot of gross building area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the subject's assessment neighborhood and on the same block or ¼ of a mile from the subject property. The comparables are improved with class 2-11 buildings of masonry exterior construction ranging in size from 3,636 to 4,272 square feet of gross building area. The buildings are from 94 to 102 years old. Three comparables each have a full basement finished with a formal recreation room and one comparable has a slab foundation. Each comparable has a 1-car or a 2-car garage. The comparables have improvement assessments ranging from $31,936 to $49,468 or from $8.78 to $11.58 per square foot of gross building area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Adm.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Adm.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables which are located 1.7 miles and further from the subject, less proximate than the other comparables in this record. The Board also gives less weight to board of board of review comparable #1 which lacks a basement foundation, which the subject features. The Board finds the best evidence of assessment equity to be the board of review comparables #2, #3, and #4 which are overall more similar to the subject in location, classification, age, and size. However, each of these comparables has basement finish area suggesting downward adjustments for this difference would be necessary to make them more equivalent to the subject. The best comparables have improvement assessments ranging from $42,004 to $49,468 or from $10.29 to $11.58 per square foot of gross building area. The subject's improvement assessment of $33,936 or $8.67 per square foot of gross building area falls below the range established by the best comparables in this record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
