

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lucian Muntean
DOCKET NO.: 24-44130.001-R-1
PARCEL NO.: 13-06-212-008-0000

The parties of record before the Property Tax Appeal Board are Lucian Muntean, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,927
IMPR.: \$38,266
TOTAL: \$53,193

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a two-story dwelling of frame and masonry exterior construction containing 2,151 square feet of living area. The dwelling is approximately 103 years old. Features of the property include a full unfinished basement, central air conditioning, and three bathrooms. The property has a 4,815 square foot site located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity regarding the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables composed of class 2-05 properties improved with two or more story dwellings of frame or masonry exterior construction that range in size from 2,042 to 2,160 square feet of living area. The homes range in age from 64 to 100 years old. Each property has a full basement,

central air conditioning and one to three full bathrooms. One comparable has a half bathroom. Their improvement assessments range from \$36,783 to \$37,213 or from \$17.18 to \$18.22 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$58,001. The subject property has an improvement assessment of \$43,074 or \$20.03 per square foot of living area. The board of review did not submit equity comparables to support the subject's improvement assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains four equity comparables submitted by the appellant. The Board gives less weight to appellant's comparable #1 due to a significant difference from the subject dwelling in age.

The Board finds the best evidence of assessment equity to be appellant's comparables #2, #3 and #4 which are similar to the subject in location, age, dwelling size and features. These comparables had improvement assessments that ranged from \$36,763 to \$37,213 or from \$17.86 to \$18.22 per square foot of living area. The subject's improvement assessment of \$43,074 or \$20.03 per square foot of living area falls above the range established by the best comparables in this record. Based on this record, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
