FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Colleen Currigan
DOCKET NO.: 24-44480.001-R-1
PARCEL NO.: 13-24-130-014-0000

The parties of record before the Property Tax Appeal Board are Colleen Currigan, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***A Reduction*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$23,250
IMPR.:	$38,750
TOTAL:	$62,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of masonry exterior construction with 1,996 square feet of living area. The dwelling is approximately 102 years old. Features include a full basement with finished area and a 2-car garage. The property has a 3,750 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity regarding the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the subject's assessment neighborhood. The comparables are improved with two or more story, class 2-05 dwellings of frame or masonry exterior construction ranging in size from 1,733 to 2,126 square feet of living area. The dwellings are from 100 to 119 years old. Each comparable has a full basement and a 2-car garage. The comparables have

improvement assessments ranging from $32,846 to $39,748 or from $17.48 to $19.20 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $65,000. The subject property has an improvement assessment of $41,750 or $20.92 per square foot of living area.

The board of review did not provide any evidence in support of its contention of the correct assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The appellant submitted four equity comparables for the Board's consideration, as the board of review failed to provide any suggested comparables. The appellant's comparables are similar to the subject in location, design/class, age, dwelling, and features. These comparables have improvement assessments ranging from $32,846 to $39,748 or from $17.48 to $19.20 per square foot of living area. The subject's improvement assessment of $41,750 or $20.92 per square foot of living area falls above the range established by the best comparables in this record and appears to be excessive. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
