

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Linda Mazzone  
DOCKET NO.: 24-46065.001-R-1  
PARCEL NO.: 09-36-420-014-0000

The parties of record before the Property Tax Appeal Board (PTAB) are Linda Mazzone, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, PTAB hereby finds **No Change** in the Cook County Board of Review's assessment of the property is warranted. The correct assessed valuation of the property is:

**LAND:** \$15,625  
**IMPR.:** \$25,375  
**TOTAL:** \$41,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a Cook County Board of Review decision pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) contesting the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

A 1,301 square feet, one-story masonry building situated on a 6,250 square feet parcel in Chicago, Jefferson Township, Cook County comprises the subject property. The 58-year-old, class 2-03 property featured a two-car garage, 1.5 bathrooms, no air conditioning, and a full basement.

Arguing the subject land was not equitably assessed, the appellant contends the total assessment should be decreased to \$37,875 to achieve uniformity with like properties. To support the assessment inequity argument, the appellant put forth three class 2-03 properties in the subject's neighborhood. The appellant's suggested comparables all featured a one- to 2.5-car garage, a full basement, one or 1.5 bathrooms, and no air conditioning. These potential comparators' land ranged from 4,125 to 8,540 square feet in area and \$2.40 to \$2.50 in assessment.

The board of review countered that the subject land assessment of \$15,625, or \$2.50 per square foot, was equitable in its "Notes on Appeal." In defense of the \$41,000 total subject assessment,

the county board of review introduced into evidence four masonry improvements within a quarter mile of the subject as equity comparables. The board of review's preferred comparators all featured a full basement, air conditioning in properties #1 and #2, and a 1.5- to two-car garage. These properties had 3,960 to 6,037 square feet of land, all assessed at \$2.50 per square foot.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. The Illinois Constitution requires real estate taxes "be levied uniformly by valuation ascertained as the General Assembly shall provide by law." Ill. Const., art. IX, § 4 (1970); Walsh v. Property Tax Appeal Board, 181 Ill. 2d 228, 234 (1998). Yet this uniformity provision of the Illinois Constitution does not mandate absolute equality in taxation; instead, a reasonable degree of uniformity in the taxing authority's assessments suffices. Peacock v. Property Tax Appeal Board, 339 Ill. App. 3d 1060, 1070 (4th Dist. 2003).

When unequal treatment in the assessment is the basis of a property tax appeal, appellants must prove the inequity of the assessments by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e); Walsh, 181 Ill. 2d at 234 (1998). Clear and convincing evidence means more than a preponderance of the evidence, but it does not need to approach the degree of proof required for a criminal conviction. Bazyldo v. Volant, 164 Ill. 2d 207, 213 (1995). Proof of unequal treatment in the assessment process should comprise assessment documentation for the year in question of similarly situated properties with compelling proximity to, and a lack of distinguishing characteristics from, the comparables to the subject. 86 Ill.Admin.Code §1910.65(b). The Property Tax Appeal Board (PTAB) finds the appellant did not meet this rigorously high standard of proof.

In this record, only the subject land assessment was in dispute per Section II.2c.2 of the Residential Appeal form. As such, PTAB considers only the land assessments of the properties in evidence. Because the subject's \$2.50 per square foot of land is on par with the \$2.40 or \$2.50 per square foot of land assessments of the comparables, PTAB finds the appellant did not provide sufficiently clear and convincing evidence that the subject assessment was misaligned with those of similar properties or that a reduction thereof is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
