

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: A. Saccone & Sons
DOCKET NO.: 24-46329.001-R-1
PARCEL NO.: 13-35-235-016-0000

The parties of record before the Property Tax Appeal Board are A. Saccone & Sons, the appellant, by attorney Michael R. O'Malley, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,562
IMPR.: \$9,344
TOTAL: \$20,906

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story, multi-family building of frame exterior construction with 1,512 square feet of gross building area. The building is approximately 127 years old. Features include a slab foundation¹ and a 1.5-car garage. The property has a 3,125 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five equity comparables located within the subject's assessment neighborhood. The comparables are

¹ The parties disagree as to the subject's foundation with the appellant reporting it has a full basement and the board of review reporting it has a slab foundation; however, neither party provided additional evidence to resolve this discrepancy.

improved with 1.5-story, class 2-11 multi-family buildings of frame exterior construction ranging in size from 1,408 to 1,634 square feet of gross building area. The buildings are from 109 to 126 years old. Two comparables each have a full basement and three comparables each have a slab foundation. Each comparable has from a 1-car to a 2-car garage. The comparables have improvement assessments ranging from \$9,000 to \$11,247 or from \$5.69 to \$6.88 per square foot of gross building area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$9,344.

The board of review submitted its "Board of Review Notes on Appeal." The appellant submitted a copy of the Cook County Board of Review final decision for the 2024 tax year disclosing the total assessment for the subject property of \$38,401. The subject property has an improvement assessment of \$26,839 or \$17.75 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four comparables located within the subject's assessment neighborhood. The comparables are improved with 2-story, class 2-11 multi-family buildings of frame exterior construction ranging in size from 1,637 to 2,374 square feet of gross building area. The buildings are from 116 to 122 years old. One comparable has a full basement and three comparables each have a slab or crawl space foundation. One comparable has central air conditioning. Three comparables each have a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$32,345 to \$48,030 or from \$14.04 to \$29.34 per square foot of gross building area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted nine suggested equity comparables for the Board's consideration. The Board gives less weight to the board of review comparables which are substantially larger homes than the subject, feature central air conditioning, unlike the subject, and lack a garage amenity, which is a feature of the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables which are overall more similar to the subject in location, classification, age, and gross building size with varying degrees of similarity in other features. These comparables have improvement assessments ranging from \$9,000 to \$11,247 or from \$5.69 to \$6.88 per square foot of gross building area. The subject's improvement assessment of \$26,839 or \$17.75 per square foot of gross building area falls above the two best comparables in this record and appears to be excessive. After considering the necessary adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant demonstrated that the subject's

improvement was inequitably assessed and a reduction in the subject's assessment, commensurate with the appellant's request, is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
