

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tasos Giannikopoulos  
DOCKET NO.: 24-48214.001-R-1  
PARCEL NO.: 15-29-223-027-0000

The parties of record before the Property Tax Appeal Board are Tasos Giannikopoulos, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$4,390  
**IMPR.:** \$28,610  
**TOTAL:** \$33,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a split-level dwelling of frame and masonry construction with 1,348 square feet of living area. The dwelling is approximately 66 years old. Features of the home include a basement with finished area and a 1-car garage. The property has a 6,272 square foot site and is located in Westchester, Proviso Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity regarding the improvement as the basis of the appeal. In support of this argument the appellant submitted information on eight equity comparables located within 0.09 of a mile from the subject. The comparables are improved with split-level homes ranging in size from 1,305 to 1,978 square feet of living area that are from 60 to 66 years old. Each home has a basement with finished area. Seven comparables each have a

2-car garage. Five homes have central air conditioning. The comparables have improvement assessments ranging from \$26,257 to \$31,700 or from \$15.52 to \$21.16 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment to \$24,520.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$33,000. The subject property has an improvement assessment of \$28,610 or \$21.22 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on three equity comparables<sup>1</sup> located 0.25 of a mile from the subject or within the same subarea as the subject. The comparables are improved with multi-level homes ranging in size from 1,211 to 1,355 square feet of living area that are from 65 to 68 years old. Each home has a basement with finished area and a 1.5-car or a 2-car garage. The comparables have improvement assessments ranging from \$28,848 to \$29,400 or from \$21.29 to \$24.28 per square foot of living area. Based on this evidence the board of review requested the subject's assessment be sustained.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eleven equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #4 through #8 and the board of review's comparables #2 and #3, which are less similar to the subject in dwelling size than the other comparables in this record.

The Board finds the best evidence of assessment equity to be appellant's comparables #1, #2, and #3 and the board of review comparable #1, which are more similar to the subject in dwelling size, age, location, and most features, although these comparables each have a larger garage than the subject, suggesting downward adjustments to these comparables would be needed to make them more equivalent to the subject. These comparables have improvement assessments that range from \$26,257 to \$28,848 or from \$19.88 to \$21.29 per square foot of living area. The subject's improvement assessment of \$28,610 or \$21.22 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

<sup>1</sup> Comparable #4 is a duplicate of comparable #1.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
