FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Laura Sheehan
DOCKET NO.: 24-49576.001-R-1
PARCEL NO.: 17-33-309-050-0000

The parties of record before the Property Tax Appeal Board are Laura Sheehan, the appellant, by attorney Michael R. O'Malley, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$13,341
IMPR.:	$55,017
TOTAL:	$68,358

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of masonry exterior construction with 2,280 square feet of living area and is approximately 11 years old. Features include a partial basement with finished area[1] and central air conditioning. The property has a 2,448 square foot site and is located in Chicago, South Chicago Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five equity comparables located within the subject's assessment neighborhood. The comparables are improved with 2-story, class 2-78 dwellings of masonry exterior construction ranging in size

[1] The board of review disclosed the subject has a partial basement with finished area, which was unrefuted by the appellant.

from 2,834 to 3,615 square feet of living area. The dwellings are from 21 to 29 years old. Each comparable has a full basement and central air conditioning. Two comparables each have one fireplace. Three comparables each have a 2-car or a 3-car garage. The comparables have improvement assessments ranging from $43,758 to $54,120 or from $14.80 to $16.35 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal." The appellant submitted a copy of the Cook County Board of Review final decision for the 2024 tax year disclosing the total assessment for the subject property of $68,358. The subject property has an improvement assessment of $55,017 or $24.13 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the subject's assessment neighborhood code. The comparables are improved with 2-story or 3-story, class 2-78 dwellings of frame or masonry exterior construction ranging in size from 2,280 to 2,537 square feet of living area. The dwellings range in age from 3 to 12 years old. Three comparables each have a full or partial basement with finished area and one comparable has a slab foundation. Each comparable has central air conditioning. Three comparables each have a 2-car garage. The comparables have improvement assessments ranging from $45,375 to $68,781 or from $19.53 to $27.11 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables which are less similar to the subject in both age and dwelling size than the board of review comparables. The Board also gives less weight to board of review comparable #3 which has a dissimilar 3-story design, in contrast to the subject's 2-story design, as well as lacking a basement foundation, which is a feature of the subject. The Board finds the best evidence of assessment equity to be board of review comparables #1, #2, and #4 which overall more similar, if not identical, to the subject in location, design/class, age, and dwelling size with varying degrees of similarity in other features. These comparables have improvement assessments ranging from $57,504 to $68,781 or from $24.02 to $27.11 per square foot of living area. The subject's improvement assessment of $55,017 or $24.13 per square foot of living area falls below the range established by the best comparables in this record on an overall basis and within the range on a per square foot basis. After considering adjustments to the best comparable for differences from the subject, the Board finds the appellant did not demonstrate that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
