FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Ryan Hanna
DOCKET NO.: 24-50991.001-R-1
PARCEL NO.: 14-32-217-020-0000

The parties of record before the Property Tax Appeal Board are Ryan Hanna, the appellant, by attorney Michael R. O'Malley, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$27,900
IMPR.:	$77,100
TOTAL:	$105,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 2-story townhome of masonry exterior construction with 1,912 square feet of living area. The dwelling is approximately 134 years old. Features include a full basement, one fireplace, and a 1-car garage. The property has a 1,800 square foot site and is located in Chicago, North Chicago Township, Cook County. The subject is classified as a class 2-10 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity concerning the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five equity comparables located within the subject's assessment neighborhood. The comparables are improved with 2-story or 3-story, class 2-10 townhomes of masonry exterior construction ranging in size from 1,751 to 2,100 square feet of living area. The dwellings are from 132 to 154 years old. Three comparables each have full basements and two comparables each have a slab

foundation. Four comparables each have central air conditioning. Three comparables each have one fireplace. The comparables have improvement assessments ranging from $56,375 to $66,509 or from $31.00 to $34.21 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of $61,566.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $105,000. The subject property has an improvement assessment of $77,100 or $40.32 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the subject's neighborhood. The comparables are improved with 2-story, class 2-10 townhomes of masonry exterior construction ranging in size from 1,440 to 2,008 square feet of living area. The dwellings are from 134 to 147 years old. Each comparable has a full basement, three comparables each have central air conditioning, three comparables each have from one to four fireplaces, and one comparable has a 2-car garage. The comparables have improvement assessments ranging from $67,030 to $104,558 or from $42.47 to $52.07 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted on this record.

The parties submitted a nine equity comparables for the Board's consideration. The Board has given reduced weight to appellant's comparables #2, #4, and #5, as well as board of review comparable #4, due to differences when compared to the subject in design, dwelling size, and/or foundation type.

The Board finds the best evidence of assessment equity to be appellant's comparables #1 and #3, as well as board of review comparables #1, #2, and #3, which are located in the subject's assessment neighborhood and are overall more similar to the subject in design/class, age, dwelling size with varying degrees of similarity in other features which would require appropriate adjustments to make them more equivalent to the subject. The best comparables have improvement assessments ranging from $56,375 to $104,558 or from $31.00 to $52.07 per square foot of living area. The subject's improvement assessment of $77,100 or $40.32 per square foot of living area falls within the range established by the best comparables in this record. After considering appropriate adjustments to the best comparables for differences when compared to the subject property, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
