

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: George Kossivas
DOCKET NO.: 24-52119.001-R-1
PARCEL NO.: 09-36-107-036-0000

The parties of record before the Property Tax Appeal Board are George Kossivas, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$12,375
IMPR.: \$64,281
TOTAL: \$76,656

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story¹ dwelling of masonry exterior construction with 3,322 square feet of living area. The dwelling is approximately 69 years old. Features of the home include an unfinished basement, one fireplace and a 2-car garage. The property has an approximately 4,950 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on six equity comparables located in the same assessment neighborhood code as the subject property. The

¹ The Board finds the best description of the subject property was found in the Cook County Assessor's Property Search Details printout submitted by the appellant.

comparables are improved with 2-story class 2-06 dwellings of frame or masonry exterior construction ranging in size from 2,249 to 3,959 square feet of living area. The homes range from 72 to 131 years old. Five comparables have a basement, three of which have finished area and one comparable has a concrete slab foundation. Five dwellings have central air conditioning, each home has one or two fireplaces and four comparables have from a 1-car to a 2.5-car garage. The comparables have improvement assessments ranging from \$35,500 to \$67,625 or from \$15.78 to \$18.74 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$58,534 or \$17.62 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$76,656. The subject property has an improvement assessment of \$64,281 or \$19.35 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with 2-story class 2-06 dwellings of masonry exterior construction ranging in size from 3,280 to 3,544 square feet of living area. The homes are from 81 to 112 years old. Each comparable has a basement, with three having finished area. Three dwellings have central air conditioning, two homes have one or two fireplaces and each comparable has from a 1-car to a 3-car garage. The comparables have improvement assessments ranging from \$63,625 to \$71,500 or from \$19.36 to \$20.45 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted ten equity comparables for the Board's consideration. The Board gives reduced weight to appellant comparables #1, #3, #4, #5 and #6 along with board of review comparables #2, #3 and #4 which are substantially different from the subject in age and less similar to the subject in foundation type, finished basement amenity, dwelling size and/or garage amenity.

The Board finds the best evidence of assessment equity to be appellant comparable #2 and board of review comparable #1 which are more similar to the subject in location, design, dwelling size and most features. However, these two properties are somewhat older in age when compared to the subject, suggesting an upward adjustment is needed to account for this difference from the subject. These two comparables have improvement assessments of \$63,317 and \$66,843 or \$18.39 and \$20.02 per square foot of living area. The subject's improvement assessment of \$64,281 or \$19.35 per square foot of living area is bracketed by the two best comparables in this

record. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
