

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sophia Mitrakos
DOCKET NO.: 24-52132.001-R-1
PARCEL NO.: 10-32-412-034-0000

The parties of record before the Property Tax Appeal Board are Sophia Mitrakos, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$20,615
IMPR.: \$53,000
TOTAL: \$73,615

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame and masonry exterior construction with 3,040 square feet of living area. The dwelling is approximately 101 years old. Features of the home include a basement, one fireplace and a 1-car garage. The property has an approximately 6,650 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on seven equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with 2-story class 2-06 dwellings of masonry or frame and masonry exterior construction ranging in size from 2,474 to 4,065 square feet of living area. The homes

range from 70 to 83 years old. Six comparables have a basement, with one having finished area and one comparable has a concrete slab foundation. Each dwelling has one or two fireplaces and a 1-car or a 2-car garage. Six homes have central air conditioning. The comparables have improvement assessments ranging from \$37,460 to \$65,100 or from \$13.28 to \$17.32 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$48,610 or \$15.99 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$75,599. The subject property has an improvement assessment of \$54,984 or \$18.09 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with 2-story class 2-06 dwellings of masonry or frame and masonry exterior construction ranging in size from 2,984 to 3,080 square feet of living area. The homes are 82 or 85 years old. Each comparable has a basement, three of which have finished area. Each dwelling has central air conditioning, one or two fireplaces and a 1.5-car or a 2-car garage. The comparables have improvement assessments ranging from \$54,607 to \$66,728 or from \$18.30 to \$21.66 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted eleven equity comparables for the Board's consideration. The Board gives reduced weight to the appellant's comparables which are less similar to the subject in dwelling size and/or foundation type than other properties in the record. The Board finds the best evidence of assessment equity to be the board of review's comparables which are more similar to the subject in location, design, dwelling size and some features. However, these comparables are 15 or 18 years newer in age than the subject dwelling; have central air conditioning, unlike the subject; and three of these dwellings have finished basement area in contrast to the subject which suggests that downward adjustments are needed to account for these differences from the subject. These comparables have improvement assessments ranging from \$54,607 to \$66,728 or from \$18.30 to \$21.66 per square foot of living area. The subject's improvement assessment of \$54,984 or \$18.09 per square foot of living area falls within the range established by the best comparables in this record on an overall improvement assessment basis and below the range on a per square foot basis. Nevertheless, after considering adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
