

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Roseann Demarco
DOCKET NO.: 24-52592.001-R-1
PARCEL NO.: 09-36-107-032-0000

The parties of record before the Property Tax Appeal Board are Roseann Demarco, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$12,375
IMPR.: \$25,690
TOTAL: \$38,065

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of masonry exterior construction with 1,380 square feet of living area. The dwelling is approximately 84 years old. Features of the home include an unfinished basement, 1-bathroom, one fireplace and a 2-car garage. The property has an approximately 4,950 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.20 of a mile from the subject property. The comparables have sites that range in size from 4,356 to 6,996 square feet of land area and are improved with 1-story class 2-03 dwellings of frame or masonry exterior construction ranging in size from 1,354 to 1,543 square feet of living area. The homes range in

age from 64 to 108 years old. Each comparable has a basement, with one having finished area. Each property has from 1 to 2 bathrooms and one or two fireplaces. One dwelling has central air conditioning and two homes each have a 2-car garage. The properties sold from June 2022 to September 2024 for prices ranging from \$75,000 to \$380,000 or from \$48.61 to \$252.66 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$24,186 which reflects a market value of \$241,860 or \$175.26 per square foot of living area, land included, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.00%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$38,065. The subject's assessment reflects a market value of \$380,650 or \$275.83 per square foot of living area, land included, when applying the level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located in the same assessment neighborhood code as the subject property. The comparables have sites that range in size from 4,824 to 5,606 square feet of land area and are improved with 1-story class 2-03 dwellings of masonry exterior construction ranging in size from 1,158 to 1,410 square feet of living area. The homes range in age from 67 to 98 years old. Each comparable has a basement, with one having finished area. Each dwelling has 1-bathroom and either a 1-car or a 2-car garage. Two homes have central air conditioning. The comparables sold from April to December 2023 for prices ranging from \$380,000 to \$420,000 or from \$297.87 to \$334.63 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proven by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted six comparables for the Board's consideration. The Board gives less weight to appellant comparables #1 and #3 along with board of review comparables #1 and #2 which differ from the subject in garage amenity, finished basement area, presence of central air conditioning, bathroom count and/or dwelling size. Furthermore, appellant comparable #3 sold in 2022, less proximate to the January 1, 2024 assessment date than other properties in the record.

The Board finds the best evidence of market value to be appellant comparable #2 and board of review comparable #3 which are more similar to the subject in location, age, design, dwelling size and most features. These comparables sold in April 2023 and September 2024 for prices of \$304,000 and \$420,000 or \$224.52 and \$297.87 per square foot of living area, land included.

The subject's market value of \$380,650 or \$275.83 per square foot of living area, land included is bracketed by the two best comparables in this record. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the subject's assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
