

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jennifer Linh
DOCKET NO.: 24-52599.001-R-1
PARCEL NO.: 16-36-316-013-0000

The parties of record before the Property Tax Appeal Board are Jennifer Linh, the appellant, by attorney Michael R. O'Malley, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,688
IMPR.: \$21,313
TOTAL: \$31,001

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of masonry exterior construction with 1,238 square feet of living area. The dwelling is approximately 20 years old.¹ Features of the home include a basement, central air conditioning, and a 2-car garage. The property has a 3,125 square foot site located in Chicago, South Chicago Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five comparables

¹ The Board finds the subject dwelling is approximately 20 years old as indicated in the board of review's grid analysis, which is also consistent with the subject's "Property Comparison Report" provided by the appellant, and was not refuted by the appellant.

located within the same assessment neighborhood as the subject. The comparables consist of class 2-03, 1-story dwellings of masonry exterior construction ranging in size 1,120 to 1,321 square feet of living area. The dwellings are 48 or 56 years old. Each comparable has a basement, with "N/A" disclosed for the finished area, and a 2-car garage. Two comparables each have central air conditioning. The comparables have improvement assessments ranging from \$10,390 to \$12,346 or from \$8.96 to \$9.42 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject property of \$31,001. The subject property has an improvement assessment of \$21,313 or \$17.22 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four comparables located within the subject's assessment neighborhood and within approximately ¼ of a mile from the subject property. The comparables consist of class 2-03, 1-story dwellings of masonry exterior construction ranging in size from 1,138 to 1,428 square feet of living area. The dwellings are 6, 7 or 20 years old. Each comparable has a basement, central air conditioning and 2-car garage. The comparables have improvement assessments ranging from \$21,313 to \$31,263 or from \$17.84 to \$23.33 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparable properties for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review's comparables #3 and #4 which are less similar to the subject dwelling in age than the other comparables in the record. Moreover, three of the appellant's comparables lack central air conditioning, unlike the subject.

The Board finds the best evidence of assessment equity to be the board of review's comparables #1 and #2 which overall are most similar to the subject in location, design, age, dwelling size and most features. These two comparables have improvement assessments of \$21,313 and \$25,475 or \$17.84 and \$18.73 per square foot of gross building area. The subject's improvement assessment of \$21,313 or \$17.22 per square foot of living area falls at the lower end of the range established by the two best comparables on an overall basis and below them on a per square foot basis. After considering adjustments to the two best comparables for differences in features from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
