FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Steve Rodriguez
DOCKET NO.: 24-52913.001-R-1
PARCEL NO.: 17-31-417-001-0000

The parties of record before the Property Tax Appeal Board are Steve Rodriguez, the appellant, by attorney Michael R. O'Malley, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$9,688
IMPR.:	$54,313
TOTAL:	$64,001

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 3-story, multi-family building of masonry exterior construction with 7,281 square feet of gross building area and is approximately 122 years old. Features include a full basement, 6 full bathrooms, and a 2-car garage. The property has a 3,125 square foot site and is located in Chicago, South Chicago Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five comparables located within the same assessment neighborhood as the subject, along with property characteristics printouts that were used by the Board to verify or correct some data in the grid analysis. The comparables are improved with 2-story, class 2-11 multi-family buildings of frame

or masonry exterior construction ranging in size from 4,477 to 4,836 square feet of gross building area. The buildings are from 116 to 136 years old. Three comparables have crawl space or slab foundations, and two comparables have full basements. Each comparable has 3 or 4 bathrooms and a 2-car or a 3-car garage. Comparable #5 has one half bathroom. The comparables have improvement assessments ranging from $19,000 to $23,235 or from $4.23 to $5.19 per square foot of gross building area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $64,001. The subject property has an improvement assessment of $54,313 or $7.46 per square foot of gross building area.

In support of its contention of the correct assessment, the board of review submitted information on three comparables located within the subject's assessment neighborhood, the subject's subarea and/or approximately ¼ of a mile from the subject. The comparables are improved with 2-story or 3-story, class 2-11 multi-family buildings of masonry exterior construction ranging in size from 6,072 to 6,274 square feet of gross building area. The buildings are from 21 to 132 years old. Each comparable has a full basement, 4 or 6 full bathrooms. Comparable #3 has three half bathrooms and central air conditioning. The comparables have improvement assessments ranging from $46,724 to $72,313 or from $7.67 to $11.53 per square foot of gross building area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine suggested comparables for the Board's consideration, all of which have varying degrees of similarity to the subject in design, age, building size, foundation type and other features. Nevertheless, the Board gives less weight to the appellant's comparables and the board of review's comparable #2 which are significantly less similar to the subject in age, building size, and/or foundation type than the other comparables in the record.

The Board finds the best evidence of assessment equity to be the board of review's comparables #1 and #3. The comparables are most similar to the subject in location, age, building size, bathroom count and foundation type, but lack a garage amenity, unlike the subject. These two comparables have improvement assessments of $46,724 and $63,761 or $7.67 and $10.50 per square foot of gross building area. The subject's improvement assessment of $54,313 or $7.46 per square foot of gross building area is bracketed by the improvement assessments of the two best comparables in the record. After considering adjustments to the two best comparables for

differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
