FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Dariusz Rafalko
DOCKET NO.: 24-53220.001-R-1
PARCEL NO.: 13-34-106-026-0000

The parties of record before the Property Tax Appeal Board are Dariusz Rafalko, the appellant(s), by attorney Andrew S. Dziuk, of Andrew Dziuk, Esq. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$17,342
IMPR.:	$32,658
TOTAL:	$50,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story multi-unit dwelling of masonry construction with 3,456 square feet of living area. The dwelling was approximately 112 years old. Features of the home include a full basement. The property has a 4,687 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on five class 2-11 equity comparable properties with varying degrees of similarity to the subject which are located within a 0.58-mile radius of the subject. The improvements were from 103 to 126 years old, had from 2,788 to 3,145 square feet of living area, and had improvement assessments from $8.84 to $9.34 per square foot of

living area. The appellant disclosed that this is an owner-occupied residence. Based on this evidence the appellant is seeking a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $50,000. The subject property has an improvement assessment of $32,658 or $9.45 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four class 2-11 equity comparable properties with varying degrees of similarity to the subject two of which are located within a ¼-mile radius of the subject while the others are in different neighborhood codes than the subject. The improvements were 113 or 117 years old, had from 3,206 to 3,688 square feet of living area, and had improvement assessments from $9.72 to $11.63 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine equity comparable properties for the Board's consideration in determining assessment equity. The Board finds the best evidence of assessment equity to be appellant's comparable #1 and board of review's comparables #1 and #3. These comparables were similar to the subject in design, construction, age, size, number of bathrooms, full basement, and no central air conditioning. These comparables had improvement assessments that ranged from $8.84 to $11.63 per square foot of living area. The subject's improvement assessment of $9.45 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
