

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dimas Silveyra
DOCKET NO.: 24-53655.001-R-1
PARCEL NO.: 13-02-411-026-0000

The parties of record before the Property Tax Appeal Board are Dimas Silveyra, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$13,125
IMPR.: \$43,875
TOTAL: \$57,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story multi-family building of masonry exterior construction with 3,530 square feet of gross building area. The building is approximately 96 years old and features a full basement with finished area and a 2-car garage. The property has a 3,750 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on seven equity comparables located within the subject's assessment neighborhood and within 0.25 of a mile of the subject. The comparables consist of class 2-11, 2-story multi-family buildings of masonry exterior construction ranging in size from 3,070 to 4,021 square feet of gross building area. The

buildings are from 66 to 96 years old. Six comparables each have a full basement with five having finished area, and one comparable has a slab foundation. One comparable has central air conditioning, and five comparables have either a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$32,531 to \$45,875 or from \$8.83 to \$11.66 per square foot of gross building area. Based on this evidence, the appellant requested a reduced improvement assessment of \$38,230 or \$12.43 per square foot of gross building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$57,000. The subject property has an improvement assessment of \$43,875 or \$12.43 per square foot of gross building area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the subject's assessment neighborhood and within the subject's block or approximately $\frac{1}{4}$ of a mile of the subject. The comparables consist of class 2-11, 2-story buildings of masonry exterior construction ranging in size from 3,120 to 3,491 square feet of gross building area. The buildings are from 95 to 99 years old. Each building has a full basement with three having finished area. Three comparables have either a 2-car or a 2.5-car garage. The comparables have improvement assessments of \$43,875 and \$44,875 or from \$12.85 to \$14.06 per square foot of gross building area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eleven equity comparables to support their respective positions before the Property Tax Appeal Board. The Board gives reduced weight to the appellant's comparables #1, #3, #4, #5, #6 and #7 along with the board of review's comparable #2 due to differences in their age, building size, foundation type, presence of central air conditioning and/or lack of a garage when compared to the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which overall are most similar to the subject in location, design, age, building size and other features. These four comparables have improvement assessments of \$43,875 and \$44,875 or from \$11.64 to \$13.77 per square foot of gross building area. The subject's improvement assessment of \$43,875 or \$12.43 per square foot of gross building area matches the one best comparable with the lowest overall improvement assessment and falls within the range established by the four best comparables on a per-square-foot basis. After considering adjustments to the best comparables for differences from the subject, the Board finds the

appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
