FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: George & Robin Simkins
DOCKET NO.: 24-54548.001-R-1
PARCEL NO.: 14-32-102-035-0000

The parties of record before the Property Tax Appeal Board are George & Robin Simkins, the appellants, by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$49,600
IMPR.:	$70,351
TOTAL:	$119,951

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 2,438 square feet of living area. The dwelling is approximately 145 years old. Features of the home include a full basement with finished area,[1] 4 bathrooms, central air conditioning, and a 2-car garage. The property has a 3,200 square foot site and is located in Chicago, North Chicago Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellants submitted information on three equity comparables located within the subject's assessment neighborhood and from 0.13 to 0.44 of a

mile from the subject. The comparables consist of class 2-06, 2-story dwellings of frame exterior construction that range in size from 2,302 to 2,400 square feet of living area. The dwellings are 136 to 143 years old. The comparables have full basements and either a 2-car or a 2.5-car garage. Two comparables each have central air conditioning. The comparables have improvement assessments ranging from $50,925 to $63,400 or from $21.22 to $27.45 per square foot of living area. Based on this evidence, the appellants requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject has a total assessment of $119,951. The subject property has an improvement assessment of $70,351 or $28.86 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the subject's assessment neighborhood and the subject's block or subarea or approximately ¼ of a mile from the subject. The comparables consist of class 2-06, 2-story dwellings of frame exterior construction ranging in size from 2,298 to 2,653 square feet of living area. The dwellings are 144 to 152 years old. The comparables have partial or full basements, with three having finished area, central air conditioning, and a 2-car garage. Three comparables have 1 or 2 fireplaces. The comparables have improvement assessments ranging from $70,400 to $113,220 or from $30.41 to $44.56 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellants contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven suggested comparables for the Board's consideration. The Board gives less weight to appellants' comparable #2 which lacks central air conditioning, unlike the subject.

The Board finds the best evidence of assessment equity to be appellants' comparables #1 and #3 along with the board of review's comparables which are relatively similar to the subject in location, design, age, dwelling size, and most features. These six comparables have improvement assessments ranging from $50,925 to $113,220 or from $21.22 to $44.56 per square foot of living area. Excluding appellants' comparable #1 and board of review's comparable #4 which are at the low end and high end of the value range yields a tighter range from $63,400 to $84,259 or from $27.45 to $32.53 per square foot of building area. The subject's improvement assessment of $70,351 or $28.86 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the

best comparables for differences when compared to the subject, the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
