

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sandra Blackburn
DOCKET NO.: 24-55233.001-R-1
PARCEL NO.: 32-06-109-011-0000

The parties of record before the Property Tax Appeal Board are Sandra Blackburn, the appellant, by Amy C. Floyd, Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,150
IMPR.: \$14,000
TOTAL: \$18,150

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling¹ of masonry exterior construction with 1,365 square feet of living area. The dwelling is approximately 97 years old. Features of the home include a basement and a 2-car garage. The property has an 8,300 square foot site and is located in Homewood, Bloom Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity regarding the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with 1-story, 1.5-story, or 2-story homes² ranging in size from 1,150

¹ The parties differ regarding the subject's design. The Board finds both parties submitted a photograph of the subject depicting a 1.5-story home.

² The appellant submitted photographs depicting comparable #1 is a 1.5-story and comparable #3 is a 2-story home.

to 1,786 square feet of living area. The dwellings are from 91 to 103 years old. Each home has a basement and from a 1-car to a 3-car garage. The comparables have improvement assessments ranging from \$8,000 to \$11,528 or from \$6.45 to \$7.22 per square foot of living area.

Based on this evidence, the appellant requested a reduction in the subject's improvement assessment to \$9,282.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$21,000. The subject property has an improvement assessment of \$16,850 or \$12.34 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the same assessment neighborhood code as the subject and 0.25 of a mile from the subject, two on the same street as the subject. The comparables are improved with 1.5-story homes ranging in size from 1,351 to 1,392 square feet of living area. The homes are from 72 to 74 years old. Each home has a basement, three with finished area, and a 1-car or a 2-car garage. One home has central air conditioning. The comparables have improvement assessments ranging from \$15,566 to \$18,875 or from \$11.47 to \$13.97 per square foot of living area.

Based on this evidence, the board of review requested the subject's assessment be sustained.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains a total of eight comparables for the Board's consideration. The Board gives less weight to the appellant's comparables, due to substantial differences from the subject in design and/or dwelling size.

The Board finds the best evidence of assessment equity to be the board of review comparables, which are more similar to the subject in 1.5-story design, dwelling size, location, and most features, although these comparables are much newer homes than the subject, three comparables have finished basement area unlike the subject, and one comparable has central air conditioning unlike the subject, suggesting downward adjustments to these comparables would be needed to make them more equivalent to the subject. These comparables have improvement assessments that range from \$15,566 to \$18,875 or from \$11.47 to \$13.97 per square foot of living area. The subject's improvement assessment of \$16,850 or \$12.34 per square foot of living area falls within the range established by the best comparables in this record. However, after considering appropriate adjustments to the best comparables for differences from the subject, such as their

newer ages and superior features compared to the subject, the Board finds the subject's assessment is excessive.

Based on this record, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
