

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Roslyn Kohanchi
DOCKET NO.: 24-55406.001-R-1
PARCEL NO.: 10-15-405-054-0000

The parties of record before the Property Tax Appeal Board are Roslyn Kohanchi, the appellant(s), by attorney Brian S. Maher, of Weis, DuBrock, Doody & Maher in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$12,182
IMPR.: \$27,588
TOTAL: \$39,770

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of masonry construction with 1,254 square feet of living area. The property is approximately sixty-seven years old and has a full basement, central air conditioning and a two-car garage. The property has a 10,152 square foot site and is in Skokie, Niles Township, Cook County. The property was reported to be owner-occupied during the 2024 lien year. The subject is classified as class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant asserts assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with varying degrees of similarity to the subject property. The suggested comparable properties range in size from 1,263 to 1,656 square feet of living area and range in age from 67 to 70 years old. The appellant's comparables had various basement types and various sized garages or no garage. The appellant

reported that the suggested comparables were in the same neighborhood as the subject property. The comparables have improvement assessments ranging from \$14.11 to \$17.04 per square foot of living area. The appellant submitted a board of review decision letter disclosing that the total assessment for the subject was \$58,585. Based on this evidence, the appellant requested a reduction in the subject's total assessment to \$55,568.

This property was also the subject of an appeal with the Property Tax Appeal Board for the 2023 tax year under Docket Numbers 2023-52047.001-R-1. In that appeal, the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$39,770 based on an equity argument.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject as \$58,585. The subject property has an improvement assessment of \$46,403 or \$37.00 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables with varying degrees of similarity to the subject property. The suggested comparable properties ranged in size from 1,062 to 1,288 square feet of living area. Each suggested comparable had a full basement and central air conditioning. The board of review reported that each of the suggested comparables was located within the same subarea as the subject property with one comparable being located within a quarter mile of the subject. The comparables ranged in age from 68 to 71 years old. The comparables have improvement assessments ranging from \$23.84 to \$24.66 per square foot of living area. Based on this evidence, the board of review requested that the assessment be confirmed.

Conclusion of Law

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2023 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. 35 ILCS 200/16-185.

Additionally, section 10-15 of the Illinois Administrative Procedure Act states: "Standard of proof. Unless otherwise provided by law or stated in the agency's rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence." 5 ILCS 100/10-15. The Board takes official notice that under 23-52047.001-R-1 it rendered a decision lowering the subject's assessment for tax year 2023 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2023 and the instant tax year of 2024 are in the same general assessment period for North Chicago Township. The Board further finds that the subject is

owner-occupied based on the appellant's statement in Section II of the 2024 appeal form, which states that the subject is owner-occupied. The record contains no evidence indicating that the subject sold in an arm's-length transaction subsequent to the Board's decision for the 2023 tax year, or that the Board's decision for the 2023 tax year was reversed or modified upon review. For these reasons the Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's 2023 tax year decision, plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
