

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jason Amrani
DOCKET NO.: 24-56687.001-R-1
PARCEL NO.: 10-15-425-052-0000

The parties of record before the Property Tax Appeal Board are Jason Amrani, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,126
IMPR.: \$63,776
TOTAL: \$72,902

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an approximately four-year-old, two-story, dwelling of frame and masonry construction with 3,803 square feet of living area. The property has a 7,605 square foot site and is located in Skokie, Niles Township, Cook County. Features of the dwelling include a full basement, central air conditioning, and a two-car garage. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance. The record disclosed that the subject property was owner occupied during the lien year.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on five suggested equity comparable properties with varying degrees of similarities to the subject. The Board finds there are no suggested comparables #1 through #4 on the appellant's grid. These comparables are described as two-story dwellings of masonry or frame and masonry construction. They range in age from 21 to 40

years; in size from 3,972 to 7,488 square feet of living area; and an improvement assessment from \$10.76 to \$14.75 per square foot of living area. The appellant did not disclose the number of bathrooms in each of the suggested comparables. The suggested comparables are located within the same subarea as the subject. The appellant requested the subject's total assessment be reduced to \$60,710.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$72,902. The subject property has an improvement assessment of \$63,776 or \$16.77 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparable properties with varying degrees of similarities to the subject. These comparables are described as masonry or frame and masonry construction, two-story dwellings. They range in age from two to 19 years; in size from 4,100 to 4,737 square feet of living area; and an improvement assessment ranging from \$17.83 to \$21.66 per square foot of living area. These properties have four to seven bathrooms and full basements. The properties are located within the same subarea as the subject property. The board of review requested that the assessment be confirmed.

In rebuttal, the appellant reaffirmed its position that the 2024 assessment for the subject property is excessive and that the total assessment should be reduced.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. The Illinois Constitution requires that real estate taxes "be levied uniformly by valuation ascertained as the General Assembly shall provide by law." Ill. Const., art. IX, § 4 (1970); Walsh v. Property Tax Appeal Board, 181 Ill. 2d 228, 234 (1998). This uniformity provision of the Illinois Constitution does not require absolute equality in taxation, however, and it is sufficient if the taxing authority achieves a reasonable degree of uniformity. Peacock v. Property Tax Appeal Board, 339 Ill. App. 3d 1060, 1070 (4th Dist. 2003).

When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Clear and convincing evidence means more than a preponderance of the evidence, but it does not need to approach the degree of proof needed for a conviction of a crime. Bazyldo v. Volant, 164 Ill. 2d 207, 213 (1995). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity is the board of review's suggested comparable #1. The dwelling on this comparable is similar to the subject dwelling in age, construction, location, amenities and living area size. As for the comparables not considered best evidence, the board of review's suggested comparables #2 through #4 and the appellant's suggested comparables #5 through #8 are not similarly constructed like the subject. Additionally,

the appellant's suggested comparable #9 does not have sufficient information disclosed for the Board to consider for comparison such as the basement area and number of bathrooms.

The Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
