

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Valerie & Richard Persenaire  
DOCKET NO.: 24-56712.001-R-1  
PARCEL NO.: 32-36-104-021-0000

The parties of record before the Property Tax Appeal Board are Valerie & Richard Persenaire, the appellants, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,310  
**IMPR.:** \$5,033  
**TOTAL:** \$7,343

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story dwelling of frame exterior construction with 918 square feet of living area. The dwelling is approximately 63 years old. Features of the home include a full basement and a 2-car garage. The property has a 6,600 square foot site and is located in Sauk Village, Bloom Township, Cook County. The subject is classified as a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on three comparable sales located within the subject's assessment neighborhood and within .23 of a mile of the subject. The comparables consist of 1-story class 2-02 dwellings of frame exterior construction ranging in size from 900 to 996 square feet of living area. The homes range in age from 64 to 68 years old. Each dwelling has a fireplace, one comparable has a full basement, two comparables each have a concrete slab

foundation, and one comparable has a 1-car garage. The parcels range in size from 6,600 to 20,666 square feet of land area. The comparables sold from August 2022 to October 2023 for prices ranging from \$22,250 to \$60,000 or from \$24.05 to \$60.24 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$3,939, for an estimated market value of \$39,390 or \$42.91 per square foot of living area, including land, when applying the 10% level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$7,343. The subject's assessment reflects a market value of \$73,430 or \$79.99 per square foot of living area, land included, when applying the 10% level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within the subject's assessment neighborhood and within the same block as the subject. The comparables consist of 1-story class 2-02 dwellings of frame exterior construction containing either 918 or 925 square feet of living area. The dwellings are either 64 or 65 years old. Each dwelling has a full basement and a 2-car or 2.5-car garage. The parcels each contain 6,600 square feet of land area. The comparables sold from February to December 2024 for prices ranging from \$150,000 to \$225,000 or from \$163.40 to \$245.10 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the comparables submitted by the appellant, which differ from the subject in foundation, site size, lack a garage, and/or sold less proximate to the January 1, 2024 assessment date at issue.

The Board finds comparables presented by the board of review sold proximate to the assessment date at issue and are similar to the subject in age, location, dwelling size, and features. These comparables sold from February to December 2024 for prices ranging from \$150,000 to \$225,000 or from \$163.40 to \$245.10 per square foot of living area, including land. The subject's assessment reflects a market value of \$73,430 or \$79.99 per square foot of living area, including land, which falls below the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
