FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Maria Del Favero
DOCKET NO.: 24-57041.001-R-1 through 24-57041.003-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Maria Del Favero, the appellant(s), by attorney Nicholas T. McIntyre, of Much Shelist, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
24-57041.001-R-1	17-10-312-017-1026	3,783	67,069	$70,852
24-57041.002-R-1	17-10-312-017-1205	151	3,418	$3,569
24-57041.003-R-1	17-10-312-017-1209	151	3,418	$3,569

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant filed a timely appeal from a decision of the Cook County Board of Review pursuant to Section 16-160 of the Property Tax Code *(35 ILCS 200/16-160)* challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is a residential condominium within a 115-year-old, multi-story, building of masonry exterior construction. The property is situated on 13,718 square feet of land in South Chicago Township, Cook County. The subject is classified as a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted settlement statement that disclosed that the subject property was purchased on December 10, 2024, for $779,900. The appellant provided information in Section IV–Recent Sale Data of the Residential Appeal that the subject was not transferred between related parties; was advertised and sold by a realtor; was not sold due to a foreclosure. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price when

applying the 2024 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment of $96,691 for the subject property. The subject's assessment reflects a market value of $966,910 when applying the 2024 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted a condominium analysis with information on suggested comparable sales for 54 units in the building. These units sold from 2021 through 2024 for a total consideration of $16,936,568. The units sold comprised of 26.3732% the common elements of the building. The result was a full value of the property at $64,218,858.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. *86 Ill.Admin.Code §1910.63(e)*. Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. *86 Ill.Admin.Code §1910.65(c)*. The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in December 2024 for $779,900. The appellant provided information in Section IV-Recent Sale Data of the appeal that the parties to the transaction were not related; that the property was sold using a Realtor; that the property had been advertised on the open market. There was no evidence the subject was sold short or from a foreclosure. The Board finds the purchase price was below the market value reflected by the assessment. Based on this record, the Board finds the subject property had a market value of $779,900 as of January 1, 2024, and that a reduction in the subject's assessment is justified. Since market value has been determined, the 2024 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
