FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Kathrine Nash & Gustave Falciglia
DOCKET NO.: 24-57278.001-R-1
PARCEL NO.: 14-33-323-011-0000

The parties of record before the Property Tax Appeal Board are Kathrine Nash & Gustave Falciglia, the appellants, by attorney Steven Kandelman, of Rieff Schramm Kanter & Guttman in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$35,263
IMPR.:	$114,738
TOTAL:	$150,001

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 2,040 square feet of living area. The dwelling is approximately 146 years old. Features include a full basement with finished area and a 2-car garage. The property has a 2,275 square foot site and is located in Chicago, North Chicago Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend assessment inequity regarding the improvement as the basis of the appeal. In support of this argument, the appellants submitted information on four equity comparables located within the subject's assessment neighborhood. The comparables are improved with 2-story, class 2-05 dwellings of frame exterior construction ranging in size from 1,360 to 1,950 square feet of living area. The dwellings are from 135 to 149 years old. Three comparables each have one or two fireplaces. Each comparable has a 3-car or a 7-car garage.

The appellants did not disclose the foundation type for the comparables, but in a supplementary table provided in the evidence indicated they were a "1", "2", or "3". The comparables have improvement assessments ranging from $27,950 to $62,675 or from $20.55 to $34.24 per square foot of living area. Based on this evidence, the appellants requested a reduction in the subject's improvement.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $150,001. The subject property has an improvement assessment of $114,738 or $56.24 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the subject's assessment neighborhood. The comparables are improved with 2-story, class 2-05 homes of frame, masonry, or frame and masonry exterior construction ranging in size from 1,896 to 2,022 square feet of living area. The dwellings range in age from 109 to 142 years old. Each comparable has a full basement, three of which have finished area, and one or three fireplaces. Three comparables each have central air conditioning and from a 1-car to a 2-car garage. The comparables have improvement assessments ranging from $112,220 to $127,312 or from $57.74 to $63.21 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellants contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight equity comparables for the Board's consideration. The Board gives less weight to the appellants' comparables for which the foundation types were not clearly and succinctly described and/or are substantially smaller homes than the subject. The Board also less weight to board of review comparable #3 which lacks a garage amenity, which is a feature of the subject.

The Board finds the best evidence of assessment equity to be board of review comparables #1, #2, and #4 which are similar to the subject in location, design/class, age, dwelling, foundation type, and most features. These comparables have improvement assessments ranging from $112,220 to $127,312 or from $57.74 to $63.21 per square foot of living area. The subject's improvement assessment of $114,738 or $56.24 per square foot of living area falls within the range established by the best comparables in this record on an overall basis and below the range on a per square foot basis. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
