

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nia Sacasa  
DOCKET NO.: 24-57495.001-R-1  
PARCEL NO.: 10-31-101-037-1016

The parties of record before the Property Tax Appeal Board are Nia Sacasa, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,260  
**IMPR.:** \$22,240  
**TOTAL:** \$24,500

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of one condominium unit in a 60-unit, residential condominium building situated on an 86,823 square foot parcel of land. The building is approximately 25 years old. The subject unit has a 2.0022% ownership interest in the common elements. The property is located in Niles, Niles Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends the assessment of the subject property as established by the decision of the Property Tax Appeal Board for the 2023 tax year should be carried forward to the 2024 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). The appellant disclosed that the subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 23-41497. In that appeal, the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$24,500 based on the evidence in the record. The appellant asserted that tax

years 2023 and 2024 are within the same general assessment period. Based on this evidence, the appellant requests the 2023 tax year decision to “be carried forward” to the 2024 tax year.

The board of review submitted its "Board of Review Notes on Appeal." The board of review did not disclose the first year of the general assessment period but did disclose that no township equalization factor was applied in 2024 by county assessment officials. The board of review did not challenge the appellant's assertion that the subject property is an owner-occupied dwelling or that 2023 and 2024 are within the same general assessment period. In support of its contention of the subject's assessment, the board of review submitted a condominium analysis consisting of 17 sales from the subject's condominium building.

### **Conclusion of Law**

The appellant raised a contention of law asserting that the assessment of the subject property as established by the Property Tax Appeal Board for the 2023 tax year should be carried forward to the 2024 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). When a contention of law is raised the burden of proof is a preponderance of the evidence. (See 5 ILCS 100/10-15). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2023 tax year should be carried forward to the 2024 tax year at issue subject only to equalization, if any, as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2023 tax year under Docket Number 23-41497 to \$24,500 based on the evidence in the record. The record further indicates that the subject property is an owner-occupied dwelling and the Board finds that 2023 and 2024 are within the same general assessment period for Niles Township. The record contains no evidence indicating the subject property sold in an arm's length transaction after the Board's decision or that the decision of the Property Tax Appeal Board has been reversed or modified upon review. The record also disclosed that a township equalization factor was not applied in the 2024 tax year by county assessment officials. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year decision.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
