

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Chad Freeman
DOCKET NO.: 25-00286.001-R-1
PARCEL NO.: 16-20-404-018

The parties of record before the Property Tax Appeal Board are Chad Freeman, the appellant, by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$66,926
IMPR.: \$197,835
TOTAL: \$264,761

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The parties appeared before the Property Tax Appeal Board for a hearing at the Lake County Board of Review's office in Waukegan pursuant to prior written notice. Appearing on behalf of the appellant was Abby L. Strauss, of Shiller Law P.C., and appearing on behalf of the Lake County Board of Review was Jack Perry.

The subject property consists of a 2-story dwelling of brick exterior construction with 2,837 square feet of living area. The dwelling was constructed in 1984 and is approximately 56 years old. Features of the home include a basement with finished area, central air conditioning, one fireplace, and a 418 square foot garage. The property is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends assessment inequity regarding the improvement as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables located within 0.16 of a mile from the subject. The comparables are improved with 2-story homes of brick exterior construction ranging in size from 2,981 to 3,037 square feet of living area. The dwellings were built in 1968 or 1969. Each home has a basement, central air conditioning, one fireplace and a garage ranging in size from 460 to 528 square feet of building area. The comparables have improvement assessments ranging from \$133,179 to \$177,497 or from \$44.53 to \$59.52 per square foot of living area.

Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$264,761. The subject property has an improvement assessment of \$197,835 or \$69.73 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three equity comparables located within 0.14 of a mile from the subject. The comparables are improved with 2-story homes of brick exterior construction containing 2,809 or 2,837 square feet of living area. The dwellings are 56 or 57 years old and have basements, two of which have finished area. Each home has central air conditioning, one fireplace, and a garage with 418 or 484 square feet of building area. The comparables have improvement assessments ranging from \$195,816 to \$202,220 or from \$69.02 to \$71.28 per square foot of living area.

At hearing, Perry noted that appellant's comparable #3 has 778 square feet of finished basement area that was not refuted by the appellant and also noted the differences in age between the appellant's comparables and the subject.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables due to age differences when compared to the subject.

The Board finds the best evidence of assessment equity to be the board of review's comparables which overall are more similar to the subject in location, age, dwelling size and features. These

most similar comparables have improvement assessments that range from \$195,816 to \$202,220 or from \$69.02 to \$71.28 per square foot of living area. The subject's improvement assessment of \$197,835 or \$69.73 per square foot of living area falls within the range established by the best comparables in this record. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
