

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Henrik Enqvist
DOCKET NO.: 25-00467.001-R-1
PARCEL NO.: 03-26-202-003

The parties of record before the Property Tax Appeal Board are Henrik Enqvist, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$33,260
IMPR.: \$158,272
TOTAL: \$191,532

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and frame exterior construction with 3,023 square feet of living area.¹ The dwelling was built in 2004 and is 21 years old. Features of the home include a full basement, central air conditioning, a fireplace, and a 751 square foot attached garage, and a 1,176 square foot detached garage. The property has a 43,560 square foot site and is located in Wadsworth, Newport, Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 1.4 miles of the subject. The comparables consist of 1.5-story or 2-story dwellings of frame exterior construction ranging in size from 2,754 to 2,971 square feet of living area. The homes range in age from 22 to 70

¹ The Board finds the subject's property record submitted by the board of review, and not refuted by the appellant, to be the best evidence of the subject's age and exterior construction.

years old. Each dwelling has a basement, central air conditioning, a fireplace, and a garage ranging in size from 454 to 1,176 square feet of building area. The parcels range from 40,001 to 201,683 square feet of land area. The comparables sold from February to October 2024 for prices ranging from \$370,000 to \$587,000 or from \$126.67 to \$197.58 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$156,173, for an estimated market value of \$468,566 or \$155.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$191,532. The subject's assessment reflects a market value of \$574,653 or \$190.09 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 1.77 miles of the subject. The comparables consist of 2-story dwellings of wood siding exterior construction ranging from 3,184 to 3,823 square feet of living area. The dwellings range from 24 to 34 years old. Each dwelling has a full basement, central air conditioning, one or two fireplaces, and a garage ranging from 832 to 906 square feet of building area. The parcels range in size from 40,511 to 47,537 square feet of land area. The comparables sold from January 2023 to November 2024 for prices ranging from \$575,000 to \$610,000 or from \$156.94 to \$182.95 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the comparables submitted by the appellant, as well as the board of review's comparables #3 and #4, which differ from the subject in age, dwelling size, and/or site size. The Board finds the board of review's two remaining comparables are similar to the subject in age, dwelling size, and features. These comparables sold in January and June 2023 for prices of \$582,501 and \$610,000 or \$181.55 and \$182.95 per square foot of living area, including land. The subject's assessment reflects a market value of \$574,653 or \$190.09 per square foot of living area, including land, which is below the two best comparable sales in this record overall and slightly above the two best comparables on a per-square-foot basis. Based on this evidence and after considering adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
