

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Basil Danos
DOCKET NO.: 25-00471.001-R-1
PARCEL NO.: 03-35-104-021

The parties of record before the Property Tax Appeal Board are Basil Danos, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$38,754
IMPR.: \$157,863
TOTAL: \$196,617

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 3,567 square feet of living area. The dwelling was constructed in 1991 and is 34 years old. Features of the home include a full basement, central air conditioning, two fireplaces, and an 840 square foot garage. The property has a 40,058 square foot site and is located in Wadsworth, Newport Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within the subject's assessment neighborhood and within .26 of a mile of the subject. The comparables consist of two-story dwellings of frame exterior construction ranging in size from 3,560 to 4,029 square feet of living area. The homes are 33 to 36 years old. Each dwelling has a basement, central air conditioning, a fireplace, and a garage ranging in size from 777 to 906 square feet of building

area. The parcels range in size from 42,358 to 101,447 square feet of land area. The comparables sold from August 2023 to May 2024 for prices ranging from \$490,000 to \$650,000 or from \$137.64 to \$161.33 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$177,143, for an estimated market value of \$531,482 or \$149.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$196,617. The subject's assessment reflects a market value of \$589,910 or \$165.38 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located from .04 of a mile to 2.96 miles from the subject. Comparable #2 is the same property as the appellant's comparable #3. The comparables consist of one-story or two-story dwellings of brick or wood siding exterior construction ranging in size from 2,770 to 3,823 square feet of living area. The dwellings are 24 to 32 years old. Each dwelling has a full basement, central air conditioning, a fireplace, and a garage ranging in size from 740 to 906 square feet of building area. The parcels range in size from 42,358 to 47,045 square feet of land area. The comparables sold from February to August 2023 for prices ranging from \$595,000 to \$630,000 or from \$156.94 to \$214.80 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of five comparable sales to support their respective positions before the Property Tax Appeal Board, with one comparable being common to the parties. The Board gives less weight to the appellant's comparable #2, which differs from the subject in site size. The Board also gives less weight to the board of review's comparables #1 and #3, which differ from the subject in location and/or design. The Board finds the parties' two remaining comparables are similar to the subject in age, location, dwelling size, and features. These two most similar comparables sold for prices of \$490,000 and \$600,000 or for \$137.64 and \$156.94 per square foot of living area, including land. The subject's assessment reflects a market value of \$589,910 or \$165.38 per square foot of living area, including land, which is bracketed by the best comparable sales in this record overall and above the two best comparables on a per-square-foot basis. Based on this evidence, after considering adjustments to the best comparables for differences when compared to the subject, and considering economies of scale, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
