

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lance Cenni
DOCKET NO.: 25-00475.001-R-1
PARCEL NO.: 04-04-403-013

The parties of record before the Property Tax Appeal Board are Lance Cenni, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,138
IMPR.: \$74,470
TOTAL: \$83,608

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame exterior construction with 1,140 square feet of living area.¹ The dwelling was constructed in 1987 and is 38 years old. Features of the home include a lower level, central air conditioning, and a 576 square foot garage. The property has an 11,312 square foot site and is located in Winthrop Harbor, Benton Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within the subject's assessment neighborhood and from .49 of a mile to 1.54 miles from the subject. The comparables consist of one-story dwellings of frame exterior construction ranging in size from

¹ The subject's property record card, which was submitted by the board of review and not refuted by the appellant, describes the subject as a tri-level dwelling with a lower level.

1,053 to 1,283 square feet of living area. The homes are 48 to 78 years old. Three dwellings each have central air conditioning, two comparables each have a fireplace, and each comparable has a garage ranging in size from 440 to 676 square feet of building area. The parcels range in size from 8,381 to 10,359 square feet of land area. The comparables sold from March 2023 to April 2025 for prices ranging from \$165,000 to \$253,000 or from \$142.24 to \$220.32 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$75,232, for an estimated market value of \$225,719 or \$198.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$83,608. The subject's assessment reflects a market value of \$250,849 or \$220.04 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within the subject's assessment neighborhood and from .42 of a mile to 1.21 miles from the subject. The comparables consist of one-story dwellings of wood siding exterior construction ranging in size from 1,033 to 1,225 square feet of living area. The dwellings are 47 or 82 years old. Each dwelling has a full basement, central air conditioning, and a garage ranging in size from 288 to 600 square feet of building area. Two comparables each have a fireplace. The parcels range in size from 10,000 to 43,713 square feet of land area. The comparables sold from January to June 2025 for prices ranging from \$270,000 to \$305,000 or from \$230.61 to \$295.26 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the comparables submitted by the appellant, as well as the board of review's comparables #1 and #4, which differ from the subject in age, location, foundation, site size, and/or which sold less proximate to the assessment date at issue. The Board finds the board of review's two remaining comparables sold proximate to the assessment date and are similar to the subject in age, location, dwelling size, and features. These two most similar comparables sold in March and April 2025 for prices of \$270,000 and \$282,500 or for \$230.61 and \$246.35 per square foot of living area, including land. The subject's assessment reflects a market value of \$250,849 or \$220.04 per square foot of living area, including land, which falls below the two best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
