FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Lisa Teel
DOCKET NO.: 25-00477.001-R-1
PARCEL NO.: 04-04-420-008

The parties of record before the Property Tax Appeal Board are Lisa Teel, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$11,828
IMPR.:	$88,340
TOTAL:	$100,168

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of frame exterior construction with 1,288 square feet of living area. The dwelling is approximately 53 years old. Features of the home include a basement, central air conditioning, and a 576 square foot garage. The property has a 19,125 square foot site and is located in Winthrop Harbor, Benton Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on nine comparable sales located within 1.39 miles from the subject and within the same assessment neighborhood code as the subject. The parcels range in size from 4,125 to 51,139 square feet of land area and are improved with 1-story homes ranging in size from 1,112 to 1,540 square feet of living area. The homes are 36 to 81 years old. Each home has a basement. Seven homes have a garage ranging in size from 294 to 1,200 square feet of building area and five homes have central air conditioning. The comparables sold from

January 2023 to May 2025 for prices ranging from $180,000 to $278,000 or from $144.74 to $202.03 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $100,168. The subject's assessment reflects a market value of $300,534 or $233.33 per square foot of living area, land included, when using the statutory level of assessment of 33.33%. In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 1.26 miles from the subject and within the same assessment neighborhood code as the subject. The parcels range in size from 7,000 to 11,250 square feet of land area and are improved with 1-story homes ranging in size from 888 to 1,232 square feet of living area. The homes are from 53 to 85 years old. Three homes have a basement, two comparables have central air conditioning, and each comparable has a garage ranging in size from 220 to 720 square feet of building area. The comparables sold from April 2024 to March 2025 for prices ranging from $224,000 to $295,000 or from $239.45 to $252.82 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of thirteen comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #4, #5, #6, and #8, which sold less proximate in time to the assessment date than the other sales in this record and/or differ significantly from the subject in site size.

The Board finds the best evidence of market value to be the appellant's comparables #2, #3, #7, and #9 and the board of review comparables, which sold more proximate in time to the assessment date and have varying degrees of similarity to the subject in dwelling size, age, site size, and features, suggesting adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold for prices ranging from $180,000 to $295,000 or from $144.74 to $252.82 per square foot of living area, including land. The subject's assessment reflects a market value of $300,534 or $233.33 per square foot of living area, including land, which is above the range established by the best comparable sales in terms of total market value and within the range on a per square foot basis, which appears to be justified when considering these comparables' smaller sites and/or older ages compared to the subject. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
